Above George and the CIA visit davidbardes.com then the 'pictures' page. They found what they wanted to find gone. These goons blame me for the attacks on 9/11, because of pictures I took on my five hour commute to 101st floor of 2 World Trade. I think they were misreading a comment on one of the pictures, so I changed the wording. The fact they are going to it now, as ammuntion, means they are in a bad situation. Perhaps things are not going well. Now they are without their paper tiger.

There sure has been a lot of focus on my 'pictures' page. Perhaps Bush2 is planting fake evidence to pin the attacks of 9/11 on me? The grand ruse to hide his and Dick's corruption. Such would backfire back on them, as the obvious would shine the spotlight on them. Why are they recruiting shills then?

In the new just now:

Police arrest Julian Assange at Ecuadorian embassy in London

https://www.cnn.com/2019/04/11/uk/julian-assange-arrested-gbr-intl/index.html

Officers moved in after Ecuador withdrew his asylum and invited authorities into the embassy, citing the Australian's bad behavior.

Ecuadorian president Lenin Moreno said in a video statement Thursday that his country withdrew Assange's asylum due to his "discourteous and aggressive behaviour," "the hostile and threatening declarations of his allied organization against Ecuador" and "the transgression of international treaties."

The Ecuadorian Foreign Ministry denied the rumors in a statement, calling them "fake news" and

adding that the allegation of a deal with the UK "misrepresents reality."

At 4am this morning someone from Ecuador met with Tim Cook, Bill Gates, Larry Page, Satya, and someone in the Netherlands, see above. Perhaps they convinced Ecuador to have Assange arrested, to prevent him from publishing my Reconstitution speech? The timing is specific here, one leads to the other. Perhaps a huge cover up is in the works?

The above meeting shows frustration. The CIA repeatedly refreshing the page, worried about my book, Satya visiting the 'pictures' page and Wells website, Bill clicking in frustration.

I checked the ICC website this morning and found a decision issued on 4/12/2019 denying the prosecution's request to open an investigation into CIA torture in Afghanistan, Lithuania, Romania, and Poland. The ICC punted, below are some of the text:

As for the victims, 680 out of the 699 applications welcomed the prospect of an investigation aimed at bringing culprits to justice, preventing crime and establishing the truth.

96. In summary, the Chamber believes that, notwithstanding the fact all the relevant requirements are met as regards both jurisdiction and admissibility, the current circumstances of the situation in Afghanistan are such as to make the prospects for a successful investigation and prosecution extremely limited. Accordingly, it is unlikely that pursuing an investigation would result in meeting the objectives listed by the victims favouring the investigation, or otherwise positively contributing to it. It is worth recalling that only victims of specific cases brought before the Court could ever have the opportunity of playing a meaningful role in as participants in the relevant proceedings; in the absence of any such cases, this meaningful role will never materialise in spite of the investigation having been authorised; victims' expectations will not go beyond little more than aspirations. This, far from honouring the victims' wishes and aspiration that justice be done, would result in creating frustration and possibly hostility vis-a-vis the Court and therefore negatively impact its very ability to pursue credibly the objectives it was created to serve.

FOR THESE REASONS, THE CHAMBER HEREBY a) DECIDES that an investigation into the situation in Afghanistan at this stage would not serve the interests of justice and, accordingly, REJECTS THE REQUEST;

Clearly all day China and Russia have been keeping up the pressure, and above the ICC judge in Japan is adding to pressure. These ICC judges may be worried their denial of the prosecutor's request to open the investigation, because I am still a loose end. A wild card. Meanwhile today is Easter Sunday and family time has pushed off China and Russia, and the ICC judges.

After one (1) hour, George did not, or could not, email me. Did George confess to Larry that cold cell torture was true, hence Larry visits the 'Laudman' page who was the inmate frozen to death on suicide watch? George was unable to write me an email, knowing cold cell torture was real, and instead confessed on Easter Sunday, the day Jesus Christ resurrected from a hypothermic death?

Above, Satya and Cal State have babysitting duty keeping unhappy China busy. China is not happy to learn Bush2 lied to them about cold cell torture being done on purpose, such they are scorned. Above China visiting unspeakablepain.com, being the focus of their unhappiness. Neither Bill Gates nor Tim Cook have visited since Bush2's confession last night. They must be unhappy to learn of the lies from Bush2 himself, as they ignored my words.

Above, Germany CIA center person speaking with Larry and Satya about cold cell torture visiting the 'accident' page and the 'Laudman' page, the inmate who shivered to death in 11 days. Is the CIA person telling more lies hoping to convince the idiots once again, who fell for the lies the first time, now a second time? Or, is the CIA person coming clean with what they know?

Above, looks like those two are in an interview with someone. So, the above Germany CIA center person was a last ditch effort to obscure the truth.

I believe the above was a reporter in NYC calling our local newspaper giving them the heads up about something soon to be released.

Based on traffic since this morning, it looked like Bill Gates was going to email me. But like Bush2 before him who failed, I think Bill could not draft an email that made sense, not such he would admit authoring. Above Satya then broke the news to Bush2, with Larry on the call. The decision was to start recruiting shills once again. Pathetic.

Above, Dick Cheney demanded the hard line in Satya's email to me, such Satya bagged out too. Bill Gates bagged out earlier. No one wants to pass on Dick's evil demands. Certainly not Dick himself. So, Dick ordered Bush2 to go back to recruiting shills. When the shill visits the 'suicide' page from Google, it comes from someone speaking with Bush2.

Above, shill told them "No way," hung up the call, and then visited several pages in fear and shock. This reaction is typical the first time someone is shocked into understanding. I think Bush2 is telling his same lies that cold cell torture is not on purpose. Which not one of these shills will ever believe.

Above, now they have angry China speaking directly with Cheney. Cheney has nothing to offer them, hence making Cheney take the heat for his hold up. Pressure mounts. Maybe Cheney is melting down. Bush2 melted down a few days ago, unable to email me, admitted to the tech CEO's cold cell torture was real, and not an accident. So, tonight is may be Dick's turn?

Whenever I sent a Tweet, immediate bot hits came from all those granted access to spy on and track a victim. Twitter must offer this service. I have no idea who is in Italy. CIA and someone at Twitter HQ, then Rupert. The FBI used to track for awhile, but gave up. Common denominator is they are all criminals.

At 10:19pm ET, I emailed the below:

scheduling@OGWB.org
investor-relations@abc.xyz

To: Larry Page at investor-relations@abc.xyz
From: David Andrew Bardes, Brevard, North Carolina

Please deliver this message to Larry Page; regards the ongoing Torturegate Murder Scandal with P.George W. Bush and VP Dick Cheney. Thank you.

All,

Recruiting shills you labor in vain, as I have told fearful George2 before, I refuse to communicate with cowards hiding behind shills playing childish spy games. You hide from no one because you glow like beacons. You will confront me when I take your depositions. I will ask you "Was that really you hiding behind the patsy? Does your concealment prove your guilt as prima facie evidence?" Your lawyer will object "Objection, my client has the right to not answer that question being self incriminating." I will retort "Answer the question, or the judge will grant motion requiring your answer." If you were innocent you would not be recruiting shills. They run from you, not me.

David Andrew Bardes

In the News (3 days ago) China announced the arrest of Interpol's Meng Hongwei:

April 24, 2019

Former Chinese Interpol president Meng Hongwei facing prosecution on bribery charge

https://www.scmp.com/news/china/politics/article/3007494/former-interpol-president-meng-hongwei-arrested-china-over

- Meng was last seen on September 25 after leaving his home in the French city of Lyon for China.
- He was accused of abusing his position and power for personal gain, squandering state funds to finance his family's extravagant lifestyle, and disregarding the principles of being a party member.
-In a rare gesture, the party commission also accused Meng of encouraging his wife to use his status to further her own interests.
-The announcement that a suspect has been formally arrested usually means that the watchdog's investigation has been completed and the case will be passed to prosecutors for review and that a prosecution is imminent.

Wife of Meng Hongwei, missing ex-Interpol chief, slams 'political nature' of his detention in China and rejects corruption claims

https://www.scmp.com/news/china/science/article/3003746/wife-meng-hongwei-missing-ex-interpol-chief-slams-political

The Communist Party's Central Commission for Discipline Inspection (CCDI) said Meng was suspected of taking bribes and causing serious harm to the party's image and state interests, adding he should be severely dealt with.

China making the above move was triggered by something.

I searched Google for any recent hypothermic murder victims and sadly found an inmate frozen to death in Illinois. I added the death to the coldcelltorture.com website:

4/27/2019 - Yet another mentally ill inmate was murdered with hypothermic torture, proving cold cell murder is still widely practiced in the United States.

Mentally ill inmate Edward Robinson III was awaiting placement in a mental institution, but instead

was locked in an "administrative segregation unit" punishment block cold cell to suffer a brutal hypothermic murder. The 6:00am morning guards noticed Edward was lethargic and not moving, and called for a nurse. The nurse made the decision at 9:15am to let him die on the cold floor. By 11:00am Edward was dead, frozen to death, and the initial autopsy ruled the cause of death to be hypothermia. Due to the fallout the cause of death was later ruled "death by natural causes."

Edward's family lawyer was quoted in an article:

"Edward Robinson III did not die of natural causes, he died as a result of negligence," Rogers said in a statement. "Lake County Sheriff's deputies ignored Edward after he collapsed, and they allowed him to lay on the cold cement floor of his cell for hours without medical assistance."

Attempts were made to blame the hypothermic murder on Edward's medication, but hypothermia can only be caused by air temperatures of 71 degrees F or lower. Edward's core body temperature was 84 degrees F when he was declared dead at the hospital.

The ultimate responsibly for Edward's murder now falls on those who continue to refuse to stop the cold cell murders: Bush2, Cheney, Biden, Obama, Trump, Pence, all the criminal federal judges, the Republican supreme court justices, Senator Burr, the entire GOP, the CIA, FBI, DOJ, along with Bill Gates, Tim Cook, Larry Page, and Satya at Microsoft. Who all continue to choose their mass corruption for profit at the cost of more murdered citizens.

Attorney for family of man who died in Lake County jail criticizes 'natural causes' inquest ruling

Edward Robinson III

“Edward Robinson III did not die of natural causes, he died as a result of negligence,” Rogers said in a statement. “Lake County Sheriff’s deputies ignored Edward after he collapsed, and they allowed him to lay on the cold cement floor of his cell for hours without medical assistance.

An earlier autopsy ruled the cause of death to be hypothermia, said Cooper. Robinson’s core body temperature was 84 degrees when he arrived at the hospital just prior to dying.

Cooper added that Robinson had been previously diagnosed with schizophrenia, which can cause patients to sometimes undergo rapid body temperature loss and hypothermia.

Officials added that jail guards first called for a medical evaluation just after 6 a.m. that day because Robinson was lethargic and guards were having a hard time communicating with him.

A timeline offered by officials at an Oct. 3 media conference stated that a nurse did not respond to that call, but one showed up as part of regular rounds at about 9:15 a.m., and Robinson was in the same condition. It wasn't until lunch was being brought in shortly after 11 a.m. that Robinson was found unresponsive on the floor of his cell, according to officials.

Robinson was being held in a cell in the jail’s administrative segregation unit, where inmates are checked every 30 minutes if not deemed suicidal.

Sheriff’s office officials said Robinson was in the unit, where each prisoner is housed in a separate cell, because he had

banged a chair against a cell door and tried to plug a toilet with Styrofoam.

When Rogers first represented Robinson's mother, he said in a statement that "Edward was a beautiful person who had a diagnosed mental illness and he needed treatment."

"He did not need to be in jail, he needed to be in a hospital," the statement added. "When he was in distress they ignored him as he lay dying in a cell."

Above Bush2 speaks with the Russia guy who demands to own Wells. So, Bush2 gets on a call with the CIA criminal in Germany, crooks in China, and Larry Page, to plea for purchase of Wells, despite recent revelations of repeated lying. Larry will relay such back to Bill and Tim, who did not want to be on this call for valid reasons.

@Tim_Cook How many Chinese forced-laborer suicides were there per iPhone made in your Chinese conscription camps? How many suicide jumpers did your nets catch? Was this death metric lowered by your nets? ColdCellTorture.com

@VP Pence; You and @BarackObama display the same selection pathology for who you prefer to effect their torturous hypothermic murders, based on your stack of frozen dead bodies? Rewarding the killers was also in common? ColdCellTorture.com

@JebBush you and George2 have set the record for the most number of effected torturous hypothermic murders committed by the same crime family, except the @realDonaldTrump NYC crime family is close behind. ColdCellTorture.com

@JebBush was it your mother or father who taught you and George2 to brutally torture citizens to death with hypothermic murder? Is it passed down each generation? ColdCellTorture.com

@BarackObama Your empty words that changed no nation, nor believed in, nor sing, as the courage to survive your torturous hypothermic murders was our enduring spirit being vigilant and not afraid to prosecute you for murder. ColdCellTorture.com

@JebBush & George2 based on the bible all those victims you effected their brutal torturous hypothermic murders have filed charges against your parents in God's final justice court for their roles in the murders. ColdCellTorture.com

Morning of 5/2/2019 Tweets:

@JoeBiden What is new with you this time, as you end up being a consistently proven miserable failure each time we elect you; just more of the same weak leadership never fulfilling any of the same sorry repeated campaign promise lies? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt based on your record, why do you always cover up and protect your Caucasian friends who murder, while you always execute Black and Hispanic killers? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt How many millions of dollars did Bush2 & Cheney pay you to order every federal judge to dismiss every torture lawsuit for 2 decades? ColdCellTorture.com

@JebBush & George2 - Why has the Bush family of torturing murderers become such a scourge upon our nation; unable to stop the brutal torturous murders of scores of citizens just for the price of corruption? ColdCellTorture.com

@JebBush & Geroge2 - website visits from Bush college kids at Barbara's last goodbye weekend, prove cold cell murder was discussed, yet Barbara and George1 remained silent casting more citizen unto torturous murders to protect their killer sons? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt Since our laws against brutal mass murder now require your execution, would you approve your 1st lethal injection being gasoline, 2nd of battery acid, and 3rd of sulfuric acid? ColdCellTorture.com

@SenatorBurr When were you groomed to become a serial killer, instilled with such a strong desire for death? Were you abused as a child, sexually assaulted, visited by demons each night? What did the demons tell you? ColdCellTorture.com

@Tim_Cook @BillGates, Larry Page, Satya, what were you promised, how much money were you paid by Bush2 & Cheney to remain silent continuing the unstoppable brutal hypothermic murders of our own citizens? ColdCellTorture.com

@Tim_Cook why did you trade in iPhones for iDeath by iBrutal iHypothermic iTorture in the mass iMurders of all of our dead citizens? ColdCellTorture.com

@Tim_Cook @BillGates Why would Larry Page, the genius that created Google, known worldwide as a defender of the righteous, ever soil himself in the ongoing unstoppable torturous hypothermic murders of those who use Google? ColdCellTorture.com

@JoeBiden how can you defend the blue collar worker while you live in the lap of luxury and plenty off the tax dollars of these same workers you continue to subject to brutal torturous hypothermic murders? @BarackObama ColdCellTorture.com

@BarackObama being president zoomed your net worth up to 9 figures, which equates to about $10 million dollars per each citizen you effected their brutal torturous hypothermic murders? ColdCellTorture.com

@BarackObama as president you increased the police shootings of Black men, rewarded federal workers who on videos suffocated Black men to death on our streets, and now you live on yachts and jets eating steak every night? ColdCellTorture.com

@JebBush Goerge2 when Dick Cheney invented the idea of torturing freezing innocent people to death all over the world under banner of our flag, why did you say okay, forever tarnishing our flag with the stink of torture? ColdCellTorture.com

@JebBush Goerge2 When Barbara published no more Bush's should run for office, was that her way of objecting to all the torturous hypothermic murders her son's committed? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt when you ordered every judge to dismiss every torture lawsuit to protect Bush2 & Cheney, was there a gap of time before your criminal intent manifested into 2 decades of culpable murders? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt - Is it God's sense of humor that the only way our laws can prevent your own execution for dozens of culpable murders is to outlaw capital punishment fast? Save you own skin? ColdCellTorture.com

@JebBush George2 when your Saudi Arabian thug killer friend rejected your request to be the shill to pay me off with money to remain silent about all your murders, did being denied by even Satan himself teach you a lesson? ColdCellTorture.com

@JebBush George2 Have you paid off the ICC judges, like you did Interpol, or are they still awaiting

payments? Did using the CIA and NSA databases to dig up dirt on them, then twist them into submission, work each time? ColdCellTorture.com

@JebBush George2 Based on the website traffic report I gave you, you twisted 7 of these ICC judges to fully capitulate to your corruption. Did any resist? Do you have soul? ColdCellTorture.com

@JebBush George2 Upon discovering Justice Scalia dead in his bed on your spoofed hunting trip con to bribe his vote to defeat my anti-torture petition, was God objecting to your torturous hypothermic murders? Why so daft? ColdCellTorture.com

At 3:47pm ET, I emailed the below email to a job posting on Craigslist, which the FBI & CIA will receive the same time Bush2 does.

To: Email - 99c129dd5a073f7a8f565101f55e4907@job.craigslist.org

Dear Camping World,

I have extensive knowledge and experience with RV's, from a lifetime of ownership: B, C, A, trailers, even as a full timer for three years in a diesel Fleetwood Discovery. Doing so requires learning how to service and replace all systems and circuits. 12 volt LED lighting is a hobby of mine, building prototypes for outdoor use.

I am a 55 year old Christian Protestant monk who works to support myself and ministries. I am not called to cloister due to outreach ministries. I am in the process of moving to either the Houghton Lake area, or Burt Lake, Indian River area.

Born in Cincinnati, I grew up spending my summers in Indian River on Burt Lake.

Before entering the ministry full time, I had a 30-year career in the insurance business starting as a sales agent, then a broker, finally a consultant.

I have two resumes, one of business experience the other of ministry, if you have further interest.

Thank you for your consideration.

@BarackObama When God draws red lines he honors them, having gone well past his now with so many effected torturous hypothermic murders, be watchful for his resulting righteous wrath boomerang of doom soon to boon? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt Having more confirmed torturous hypothermic kills than all the other serial killers in our history, makes you the most prolific "Chief Injustice" killer of Americans denied every right on earth? ColdCellTorture.com

@ChiefJusticeJR @USSupremeCourt Why do you execute killers with lethal injections, but the innocent you have brutally and slowly tortured to death for hours with hypothermic torture? Are you Satan? ColdCellTorture.com

@JebBush George2 your cowardice explains fleeing in Air Force One on 9/11, in attacks you could have prevented by not canceling the FBI investigation of the whole plot just to protect your Saudi killer friends behind the attacks? ColdCellTorture.com

@BarackObama I am shocked by how many citizens you still effect their torturous hypothermic murders just to be liked by Bush2 & Deep State? Still dropping to your knees in slobbering oral pleasuring? ColdCellTorture.com

The kraken from Poland still wants Wells.

Above, remarkable, Bill Gates and George Bush2 are desperate to recruit a patsy to contact me, unable to do so themselves. The world second wealthiest person, and a former president of the United States, are so afraid to contact me, they resort to begging for courage from others. They are unaware of what is occurring.

At 12:58pm ET, I emailed the below:

scheduling@OGWB.org
investor-relations@abc.xyz

To: Larry Page at investor-relations@abc.xyz
From: David Andrew Bardes, Brevard, North Carolina

Please deliver this message to Larry Page; regards the ongoing Torturegate Murder Scandal with P.George W. Bush and VP Dick Cheney. Thank you.

Dear George2 and Dick:

You fail to understand your actions still direct mine, my zealous words spoken boldly were taught to me by you. You continue to supply me with an endless flow of words to proudly proclaim until you cut off the source, by outlawing your relentless continuous campaigns of brutal hypothermic murders of God's most beloved creatures. You can be stopped by your own hands, or by God's, your choice. Because God will stop it one way or the other. This should be obvious to you by now.

As a surviving hypothermic torture victim I am never pulling my book off the Internet, this and the other delusions evidencing Dick Cheney's advanced dementia, will never happen. You seek salvation in shill recruits I would never associate and you will never find, despite your desperate pleas and begging on your knees. Without torture to focus upon, my words would pursue causes other than you; is the only relief you can ever achieve.

At some point you will jump out of the water before God brings it to a boil, or you will be cooked by your own recipe.

My plan for Bed Bug Wells is to give it to the homeless shelters, starting in the Northeast next week, as their source of saving lives.

David Andrew Bardes

At 10:36am ET, I emailed to Sheree:

Sheree,

Thank you for your birthday wishes! I have not responded again due to the FBI/CIA intercepting every email I send and receive. As you can tell from Facebook and Twitter, I have begun my ministry of speaking the truth boldly.
At the end of this week I will be hitting the road full time visiting homeless shelters of the Northeast to grant territorial contracts for my patented "Bed Bug Wells" so they can raise money to feed their homeless. Eventually ending up in Northern Michigan guest preaching at Churches for the summer.

To answer your question on the governmental thugs hiring a hit man to kill me, I have already survived six (6) attempts on my life, and at this point killing me would make me more powerful as a martyr such their certain destruction would be swift and complete. Actually my death by any cause would initiate their doom, so for me death is a reward they still avoid awarding me.

My question is, if I come visit you, do you have a group of people who would like hear some truth spoken boldly? Let's speak by telephone one evening this week, 828-577-4775.

Love ya,
David

5/8/2019 - Wednesday

Morning Tweet:

@BarackObama based on the number of citizens you have effected their torturous hypothermic murders, Bush2 and @SenatorBurr are still ahead, but well illuminating the "Whore of Babylon" given the 7 bowls of God's wrath in John's Revelation? ColdCellTorture.com

@realDonaldTrump @VP Mike Pence, meeting today with more Chinese criminals like Jinping, to hide your ongoing campaign to torturously murder more citizens with hypothermic torture like Rome killed Jesus? ColdCellMurder.com

@BarackObama why keep calling Bush2, there is nothing he can do, being the same coward as you? You both still refuse to stop your ongoing campaigns of torturously murdering citizens with hypothermic torture just to please your master Satan? ColdCellTorture.com

@SenatorBurr based on those citizens you are still effecting their torturous hypothermic murders same as Rome killed Jesus, why do you prefer to only murder Christians? ColdCellTorture.com

@realDonaldTrump how can Mike Pompeo report "God raised up Trump to protect Israel from Iran," when it is your very actions against Iran, that forces Iran to do Israel in? Save Israel using God, not Satan? ColdCellTorture.com

At 10:32pm ET, I emailed the below to Larry Page and Bush2:

George,

Having me evicted because my son was gay was a nice touch. Your evil flows. Flows from the anus of Satan you never pull out from due to continuous orgasms. Cheney's homophobia in on the record each generation, but you surprised me. Each lie you have foisted on gullible Americans, was disproven by you yourself, in reverse order than told. Nothing is left standing. Not even gay people you once defended, until tortured to death by cold cell torture just for more anal sex with Satan.

Our nations greatest failure was destined as your fate chosen by your own free will and accord. One hundred billion humans in heaven, watching you where you sit right now, are hoping you do something right to recover yourself, from the eternity you have chosen for yourself.

David Andrew Bardes

At 1:00pm ET I emailed the below:

To the coward known as George,

It is now clear your never believed in any God, denied the Jesus you repeated his murder daily torturing our own citizens with the same death as a pitiless slayer, your fake tears for the father you failed, and mother who vomits you in heaven, earth's greatest tragedy was the day you were born, proving to be a closeted Donald Trump all along.

At 5:10pm ET, I emailed:

To the killer named George:

Do you have any idea how many friends I lost in the attacks on 9/11? Attacks you could have prevented by not canceling the FBI investigation that had the entire plot except for the date, just to please your corruption of protecting your Saudi friends from embarrassment, when they were the ones actually doing the attacks? Then while we had no bodies to bury in our empty caskets, or answers for their orphans and widows, you redacted twenty pages in the 9/11 Commission Report, that proved your Saudi killer friends were behind the attacks, to hide your by then corruption of murdering 3,000 Americans just for more anal sex with Satan?

Then when I had the courage to survive the brutal hypothermic torture that your corruption grew, almost killing me, you did your utmost to convince everyone around you, that I was the one behind the attacks on 9/11, just to silence my voice?

Do our laws require you stand trial before a jury of peers of those who survived? Where God has

anointed me as your prosecutor, using words which flow from wells dug by all those you had murdered, and are still murdering even today?

At 11:43am ET, I emailed:

To Demon George:

My planned stop over in Washington, DC, wearing my monks robe with iron cross of Jesus around my neck, and bag full of my books about your ongoing murders, consists of first stopping by the Supreme Court giving the justices signed copies of my book. Then to the FBI HQ who still refuses to answer my many questions, never replying to my many crime tip submissions to their website.

I will explain George Bush2 has cut off my income and had me evicted because my son was gay, so I have to sleep on the floor of the FBI lobby until our laws against murder are enforced.

Perhaps I will be shot, taking my second bullet for our country, or arrested and jailed for a two week hunger strike ending with my death effecting the ultimate enforcement of our nation's laws against murder. Perhaps my iron cross of Jesus will deflect the bullets, as videos and news spreads of a Christian monk being shot, arrested, and dragged away for objecting to the ongoing prolific murders of American's slaughtered by the unstoppable corruption of killer coward George W. Bush.

It appears after an hour of discussions at the CIA with Bush2, the CIA got on the phone with Russia, China, and Larry Page, to explain the greater problem now, because they just figured out what God's has predestined since even before the creation of the earth. That the "one who rules the nations with an iron scepter, or rod of iron " is actually an iron cross of Jesus Christ, while I am the foretold heavenly warrior, and ruler.

At 12:45pm ET, I emailed the below:

All,

I see my cover has been blown. This advances God's agenda. Kudos to the CIA analysts who figured this out. When I find out who the good people are at the CIA, I will put them in charge and double their salaries.

To add to your understanding, I am also the "Two Witnesses" of Revelation 11, one of the two olive trees providing golden oil for the "Light of God" (as a witness to the Light) in Zechariah 4, the second of two anointed Shepherds, Jesus being the first named "Favor" while I am the second named "Union" as found in Zechariah 11, the Heavenly Warrior of Revelation 19, the "Servant The Branch" of Zechariah 6:12, 3:8, & 4:2, such I will eventually become God's "signet" ring of Haggai 2, and after everything is complete Jesus will make me one of the morning stars, as found in Revelation 2.

God's final event tying all the above together, making it clear to me, was the day my son came home from a new job doing maintenance in a cotton gin, saying he was taught how to weld that day. Giving me the first item he ever welded, consisting of two rods of raw iron crudely welded into a cross, saying "I made a cross for you, I hope you like it?" I immediately recognized it, along with God's irony that a gay man without even knowing, had fashioned the very iron scepter with which God wanted me to first dash to pieces all those who hate LGBTQIA+ claiming God and Jesus hate them sending them to hell. Obviously, nothing has angered God more, being first on his long list of stepping stones of justice planned in an extensive agenda of genius that only God could make happen.

As you read in Revelation 19, I am going to defeat the "Beast" (Al Qaeda) and the false prophet (ISIS) sending both to their destruction into the lake of burning sulfer (the second death.) You have heard the phrase "you can kill the terrorist, but you cannot kill the idea." I am going to kill the "idea" by cutting off its source, using the very "Word of God" proving it is Satan's job, not God's - using words given to me during my near death experience to the throne of God in heaven. Where great clouds of bright light flowing away from God, blasted into me, now coming out as the "Word of God" as if dictated by God himself.

My task as the "Shepherd" named "Union" is to finally free all of Israel, to being occupied by only those Jewish, by finally giving to Muslims their promised prize of prosperity and paradise brought by their foretold light bringer "Hazrat Mahdi" or "King Messiah." Along with making a technical correction to Christianity, such the "Union" (what is common among all 3 faiths; not joining them) is God's demand that we admit at least once, to each other, that we worship the same God, and admit we are all going to the same heaven together. Where God will hold each of us accountable for how we treated each other while down here on earth. Therefore, to improve our positions in heaven, we are to make peace while still here on earth. Doing this becomes the very catalyst that finally defeats Satan, winning the earth battle game for God, which then finally allows not only the second return of Jesus Christ, but all the morning stars, followed by God himself de-throning from his throne in heaven, and landing on the Mount of Olives, because the 3rd Jewish Temple will not yet be completed, close but not finished. The massive flowing floods of bright light clouds flowing away from God, cutting deep valleys in the earth in two directions, will encircle the entire earth drowning out the sun and turning the night bright. Such the same way Elijah was taken up to heaven in chariots of fire (bright light clouds of God) all of us on earth will be lifted up to heaven while very much still alive, living forever and never dying.

If you ask a Jewish Rabbi who is an expert in the 2nd Temple, and an expert in the scrolls of Daniel, Zechariah, and Haggai, they can give you more detail on the above plan of God, because that is where I found it, and now so can you. Just how I am going bring this peace to the entire middle

east, is also in these three prophetic books, such you can find it too, before I tell you. It is the glorious genius of God.

I am to complete all this in the next two and half years, so God is going to move events very quickly from here, now that you are woke.

Three chapters in Revelation, 17-19, detail the complete destruction of the corruption of "Babylon the Great" the "mother of all prostitutes" and the "whore of Babylon" consists solely of God defeating the unstoppable corruption of George W. Bush, and his continuing refusal to stop the ongoing torturous hypothermic murders of God's most beloved sheep. As you know, I have already offered George "mercy" as God required, saying if he declined, he would automatically be choosing "sacrifice" upon himself. Which you will now witness God's wrath effecting, having already been promised as complete, as you can read.

The advice God is giving each of you now, which you can read in these three chapters, is to quickly "flee from Babylon, to save yourselves before it is too late." Anyone who still drinks from the cup of corruption of George W. Bush, will swill the very poison of your own destruction. Put the cup down, and join forces with me, God, Jesus, the morning stars below Jesus, and my army consisting of three trillion angels, I deploy a billion at a time with instructions given to me by God, back on his throne in 2006.

I need to sell Bed Bug Wells for a lump sum of money, to establish and staff God's world headquarters in New York City, along with other strategic properties to "branch out from" as the "Servant Branch" foretold in Zechariah. I need the CIA and FBI to dump Bush2, turn loyalty back to our flag, then help me defeat terrorism, usher in peace, and win the game for God by defeating Satan. So we can all finally go home.

David Andrew Bardes

George is clearly unhappy now. Forcing Satya to recruit some shill, Bush2 still

thinks he will find to pay me off to go away.

Signs Bush2 is under intense pressure here, keeping poor Satya calling shills. Bush2 still thinks he will find one, and that I would sell out.

After a morning of meetings in Washington, DC, their decision was to recruit a shill, to pay me off with money. Larry, Satya, Tim Cook, and the Bush2 money pay off person recruiting some poor soul in Cleveland. I can only imagine what they are being told.

At 3:09pm ET, I emailed the below:

To Caesar George:

"Beware the ides of March," as the ominous soothsaying warned before Caesar was stabbed in the back by his own trusted people.

As the prophet Daniel translated to the corrupt king like you, the words written on the wall by the hand of God himself: mene, mene, tekel, parsin

Translated by Daniel as "You have been weighed on the scales and found wanting, God has numbered the days of your reign and brought it to an end, your kingdom is divided and given [back to the good people.]"

That night the corrupt king was ambushed and killed, his kingdom returned back to the good people.

At 3:24pm ET, I emailed the below to Bush2 and crew:

All,

Islamic prophecy has long foretold I would rise to power upon the death of a powerful caliph (leader.) The death of this caliph is foretold to then unfold great conflict and division regarding mass corruption. Which apparently makes my voice even stronger.

Therefore, I place my faith in Islam, in Judaism, and in Christianity. Now patiently waiting for God to kill this caliph, so I can get to work doing the tasks I only learned I was going to do, by the very prophecy written down by God's prophets, but now becoming my very real todo list coming directly from God himself. Thank God his prophets wrote it down, otherwise I would have no idea what to do, nor that I was the one burdened with such demanding expectations.

Above, Tim Cook recruiting two shills at the same time. Means Bush2 is desperate, forcing Cook, who he just screwed in a SCOTUS Brent Kavenough decision against Apple, to do his dirty work. Below Bush2 calls back one of the above shills who said no, to try to convince again, showing even more desperation.

Below NYT reports a scurry of request for pardons for war crimes accused, for Trump to process immediately before Memorial Day weekend. Reported started yesterday, but likely as an instant result of Bush2 death last night, realizing what I am going to do to them. The fact the NYT reported it, came from inside knowledge of what really happened last night.

New York Times: Trump requests paperwork to pardon accused US war criminals - CNNPolitics
https://www.cnn.com/2019/05/18/politics/donald-trump-war-crime-pardons/index.html

The above request for pardons proves Bush2 died last night. The action needed because their protection is now gone, leaving them bare for me to tear into pieces. Pardons will not help them at this point, because they are invalid because issuing them was a crime. Begging Trump for pardons will not work, because the pardons become the very evidence of the crimes that created them.

It appears that before Bush2 death is announced, the crooks want to buy Bed Bug Wells, and try to force me to capitulate before wide reporting. Likely Dick Cheney directing all this. But they are still trying to recruit shills to do so. Even with Bush2 dead, they still hold onto their corruption dreams.

Emailed the below at 2:11pm ET, to my Yahoo email address, knowing Bill Gates & crew would intercept immediately:

A remarkable turn of events. More so by your continued hope in the failed corruption of your once great leader iced by God himself. Ironically, whose now cold dead body is the same temperature of all those he brutally murdered with torturous hypothermic murder. The only question now, is when will you join him in God's cold cell? Since you are still torturing humans in your cold cells, the delay must not be long now.

Thankfully, I have now figured out, after much trial and error, how to effect God's wrath upon the demon possessed. It is so simple, that I somehow missed it for so long. All I have to do is offer mercy to the criminals, as God requires of me, then I let each criminal tell God themselves to either authorize his cold cell torture upon themselves, or accept my mercy which comes with God's forgiveness. They answer directly to God, not me. Ask cold George.

The only wrath I can do, is in determining your amount of mercy, not God's ultimate cold cell wrath. While I only control your mercy, God decides your fate, based upon your decision on my mercy alone.

The best mercy I can offer, is for those who return their loyalty to our flag, then join me in my important missions. Mercy then becomes instant forgiveness, and nothing more, because we have important work to focus upon. My worst mercy comes upon those taking the longest to find still hiding from me, because I will find each, as the good will always rat out the bad when paid in gold bars. Mercy then becomes what our laws require, prosecution and execution by multiple lethal injections. Followed by God's wrath making them cold forever.

You still recruit shills believing corruption will work for you even now. When each of you will soon confront me, and answer each of my questions before a live audience consisting of everyone on earth and all in heaven. Hiding behind no shill you could never find, foolishly believing I could ever capitulate.

Subject: Cold cell torture

This cold cell happened to me 11 years ago when I was in jail in New Mexico. They transferred me from Santa Rosa Geo to another jail in a different town and they froze me for three days in on of those cold cells. I thought I was going to die in there. They had me in my boxers with no blankets it was so cold I wrapped my body around the porcelain toilet kept flushing because cold water helped with what little heat I could get from it. I remember one of the guards looking through the window and saying he's doing pretty good after I was in there a couple days. Unbelievable I can't believe they do this. Nobody believes me when I tell this story.

At 2:07pm ET, I emailed the below to my email address as Yahoo, knowing Bill Gates and crew would receive it instantly:

Begging Trump for pardons before the weekend will backfire badly. As the pardons themselves, become the very evidence proving the crimes that created them. With each criminal's names printed in bold letters, thus becoming the complete list of all the guilty killers themselves. How can the same justice department who passed the very laws making such torturous hypothermic murder legal, ever have the legal jurisdictional basis to then pardon themselves from the still continuing murders, without resulting in just the addition of the DOJ lawyer's names to the now growing convenient list of all the killers, finally resulting in creation of the actual documentary evidence equal under the law as signed confessions? Thank God for my extensive legal education earned from my own suffering by losing every single case, otherwise I would not know this to then tell the world for free. Your only hope is your decision to God upon the issuing of my mercy.

The above brought a flood of new shill recruits immediately, proving it landed like a dropped rock.

At 8:10pm ET, I emailed the below to my Yahoo email address, knowing Bill Gates, the CIA and whole crew would get it instantly.

Note To File

I received in the mail today a bill from the Social Security Administration demanding immediate payment of $74,755.20, due by June 3, or their threats would manifest. The letter was dated and mailed May 16, 2019.

I have a net worth of three figures because of George, so he thought loading this weight upon me now, would be enough to force me finally capitulate to his Satan.

George did not understand God's purpose of suffering on earth, to win God's earth battle game taking Satan out. Each time George made me suffer, for two decades now, God earned back an equal amount of good, now saved up until George's last capstone sin, the last sin to pile up, just earning God that last bit of needed good, to then use the saved up greater good to finally take out Satan's most valuable demon on earth.

This is how the prolonged suffering of Jews for thousands of years, has earned up so much owed-back good from Satan, it is more than sufficient to buy back every human from Satan who has ever lived on earth. Making the Jews the actual deliverers, saviors, and kings, of every human that has ever lived.

Once I understood Jews could do such awesome feats with their prolonged suffering, I sat back and enjoyed every moment of George's agony, infliction of grief, and suffering for decades. Knowing someday God would have enough earned good to take George out. But ironically God made certain George's last punishment against me, arrived well after God had already washed the mighty mountain of George out to sea. Just so when I opened the envelope, it would not hurt me, rather make me very happy. Thank you God.

At 9:52am ET, I emailed the below to my Yahoo email address, where the crew receive it instantly.

Note to Bill, Satya, Larry, and Tim:

The deep state is now dead, it's failed followers laid bare and running for the hills. Each will be hunted down and exterminated by our existing laws. Especially each GOP leader soon to live in their own cold cells. Rise up and take charge. They cannot touch you anymore, if they try, 300 million citizens will rally behind you, as they drag these criminals naked before our courts with new judges who will swiftly enforce our laws against murder. Time to be fearless. It worked for me, so will it work for you. Cower not like George, but boldly destroy the mess he left behind.

Note to Tim Cook

The obviously corrupt Brett M. Kavanaugh decision against Apple is already void, because Brett is void. Both were tossed by God. Paperwork will eventually catch up.

At 10:37am ET, I emailed the below to my Yahoo email address, knowing all others would get it:

Stop feeding the delusions of the Bush penis suckers, his corpse can provide no more pleasure for them. Their future is contained only within the very cold cells they designed and torturously murdered innocent souls, whose screams now call out from beyond their graves, demanding the justice that God has now delivered. Let that justice flow like rivers.

The Bush penis suckers are mad as hell now, and forcing Larry, above, to recruit a shill from a tough neighborhood. unny. They really think a shill will say yes, and they think I would actually sell to them via their shill so they remain in hiding?

At 12:05pm ET, I emailed the below to my Yahoo email address, knowing the whole crew would get it instantly.

These delusional Bush penis suckers still believe they will recruit a shill to hide behind, just so I would not know who they were, further that I would ever sell or capitulate anything to any of them, proves they are feverously sucking and pumping the now flaccid penis of a corpse decomposing under them; still hoping to get any amount of satisfaction.

It is time to close the casket on this corpse with his loyal suckers still attached, then bury them all six feet under. As our laws require.

Astonishing you still recruit shills in vain, that I would never communicate with, not knowing your remaining hours on this earth have been cut short by your own infliction of suffering upon me. Worse, you choose to continue inflicting suffering upon me, creating even more wrath that I can use to do you in. My patience with you has ended.

Every CIA and FBI agent who has ever visited my websites even once, whom all rejected my mercy when offered, will now meet the same fate as the cowards they still bow down and worship even when dead.

New-5-UpdatedEvents

5/28/2019 - Tuesday night
I had packed up the car and was going to hit the road first thing in the morning, but when I noticed a website visitor from Greenville, SC (close to me), then a second in Asheville, NC (close to me.) I figured out they were hiring killers to kill me before I left in the morning, to steal BedBugWells, before I gave it away to shelters. Earlier in the day Bill Gates figured out I was not going to sell it to him, so all the criminals lined up were pissed too. Thats when they learned from listening to my phone calls that I was leaving in the morning, and also Bill Gates got the GoDaddy CEO to send any new FTP'ed files, which Gates got my Wells sublease agreement I had FTP'ed to the Wells site. So they had all the goods on me, and made the decision to kill me. I left by 1am fast, and missed the killer killing me.

I did not know who was recruiting the killers until later when I checked the logs to find a third killer being recruited, by Larry Page and Satya.

6/2/2019 - Sunday

At 8:36am ET, I emailed the below:

The last two verses of Isaiah's prophecy foretells tonight's total destruction of the deep state:

Isaiah 66:23-24
23 From one New Moon [early tomorrow morning] to another and from one Sabbath [today & yesterday] to another, all mankind will come and bow down before me," says the Lord. 24 "And they will go out and look on the dead bodies of those who rebelled against me; the worms that eat them will not die, the fire that burns them will not be quenched, and they will be loathsome to all mankind."

The above "dead bodies" is explained here:

Isaiah 37:36
36 Then the angel of the Lord went out and put to death a hundred and eighty-five thousand in the Assyrian [deep state] camp. When the people got up the next morning—there were all the dead bodies!

Sweet dreams dead bodies; do not let the bed bugs bite.

At 11:46am ET, I emailed the below to my Yahoo email address, knowing it was intercepted at GoDaddy.

The Great Purge did not happen this morning, but now that the last requirements from Revelation and Isaiah are satisfied, it may likely be within three days. Below why 6/7/2019 looks suddenly prophetic.

Countdown to 6/7/2019

75 years - 6/6/1944 D-Day invasion to take out Hitler (today to take out something similar.)

13 years - on 6/6/06 (666) the founder of ISIS (anti-Christ) was killed (6/7/06 in western hemisphere.)

21 months, 17 days - from 8/21/2017 (Date of total solar eclipse, satisfying prophecy from Revelation and Isaiah.)

7 months - 88 killed in camp fire that burned for 17 days, 13 shot dead in California, 1 year after 26 shot dead in Texas church.

25 weeks, 5 days - (180 days) from 12/9/2018 (1 year since 12/9/2017 when Iraq was 'fully liberated' from ISIS - ISIS in Iraq lasted 1,260 days since created on 6/29/2014; 5 yr. anniversary of US Senate Report on CIA torture release.)

15 weeks, 5 days - (3 months, 21 days) from 2/17/2019 (ISIS defeated down to only one town in Syria, and is 62 weeks since 12/9/2017 (Daniel's 62 sevens.)

11 weeks, 1 day - (2 months, 17 days) from 3/21/2019 (White House email reported last ISIS town defeated; ISIS as a nation of killers is gone; last of 3 supermoons as asteroid zips by earth.)

3 months, 3 days - from 3/3/2019 (23 killed in tornado; 115mph wind gust tilts cruise ship; Man in Italy captures image of Jesus shining through the clouds: 'I was enchanted.')

3 days - Two Sabbaths lining up with the New Moon, satisfy the last requirements from Revelation and Isaiah needed before the Great Purge.

At 5:54am ET, I emailed the below email to my Yahoo email address, knowing it would be intercepted immediately. Overnight website traffic indicated they recruited a killer in Detroit, to kill me. Meaning special forces said no. Then later on the morning other killers were recruited.

Now the Bush family of criminals is hiring killers out of Detroit?

No sooner did I get back to our rental college, that Bill Gates and Bush2 contacted Eglin Air Force Base in Florida to come and kill me. I believe they said no, because other killers were recruited afterwards. Below is the catch up traffic over the two days.

Annotated Website Log File

Start 6/8/2020

EliasMonastery.com single website launched on 6/8/2020

The below website log entries are backed up by the raw log files at GoDaddy. They are admissible in any court of law, as the visitor visited my website, freely giving me their basic user data. The identities, footnotes, and annotations are the opinion of David Andrew Bardes, but many are obvious given their frequency not just in this log file, but in the others over a four year period. Some of the notes may not make sense, as I am making notes to myself, as a scratchpad, and you may not understand exactly. In which case, ask me, and I will clarify. At points I got lazy and did not annotate, just copy-and-pasted the traffic.

Many of the visitors started using proxies, but what people do not understand is that proxies tend to grab local IP's anyway, giving away general locations. Tracing router logs will sniff out proxy identities anyway. There is no such thing as hiding on the Internet, just a matter of how much work to find them.

George always uses the same proxies, and has for four years. Same with Dick Cheney. The CIA and FBI are clear. Bill Gates always uses Microsoft IP's, Larry always uses Google, except at the end he started using Google cloud. Same with Tim Cook via Apple. Many of the Russia visits are the CIA in Germany spoofing Russia IP's. Joe Biden used his home in Delaware, Trump in the White House and Palm Beach. Putin visits were unique and not CIA spoofs. Facebook is you know who. Amazonaws is either CIA backbone or the CEO of Amazon. FBI uses Cogent or Sundance. The worried crooked ICC judges are obvious in origin. Monroe, LA is the location of the stash of gold and silver loot funding the deep state criminals (see 5/3/2021.)

The log entries follow: page visited, IP, date and time (subtract 3-4 hours for ET), referral, and user string.

At this point, I emailed George:

Re: Unfortunate

Dear Fearful George:

You clearly do not like my return to the web. Neither does the CIA. It is unfortunate, because I do not stop until I have achieved justice for my torture and subsequent sufferings and torment. If my adversaries settled with me amicably, I would not need to as the protesters say "No justice, no peace."

Until then, I press ever forward.

Servant to God,
David Andrew Bardes

Very light traffic all afternoon. I think they are getting ready to pay me off. Above, CIA saw new picture, and reported to George. The Vegas visitor has to do with money and pay off. Based on previous traffic from last year. George is likely working on legal agreements, with strict requirements. Lol.

At 6:01pm ET, I received phone call from area code 614, which is Columbus, Ohio. There was no voice, and the call rang through to a ringing that no one answered.

6/13/2020 - While cold cell torture was the preferred and most often employed form of "enhanced" torture technique used to murder innocent victims, our federal criminals employed other forms of torture. What George2 called "the box" in his infamous torture memo's, the victim was locked in a small wooden box. The box was turned on its sides, and beaten, for set periods of time. This caused extreme pain, anxiety, and suffering.

6/15/2020 - This victim's drawing shows a combination of tortures. From cold cell torture, the box, physical beatings, and scorpions. Apparently all this torture produced no actionable intelligence. It only produced false confessions just to stop the torture. Which resulted in wasteful wild goose chases. I used to work on the 101st floor of 2 World Trade, and lost 176 friends and colleagues on 9/11. My lost friends would be just as dumbfounded as I was, in our leader's resorting to useless failed torture as a response. We had weak leaders, no one was in charge.

Re: March of the drones?

Dear Fearful George:

Given your incessant tracking off me, you must be wondering what I am doing back in North Carolina. I had an unexpected job offer, which I accepted. I am working full time. I only have forty-six (46) more days of my exile.

The question is what are you going to do? Time is on my side, not yours. I am very patient as you know. Repent and turn from your evil ways. God is "very angry" with you, George. God's prophets of old, foretold your fate. What will you do?

Servant to God,

Re: Bill Gates

Dear Fearful George:

Please deliver a message to Bill Gates.

Bill, I am deeply disappointed in your continued involvement with deep state corruption. Your website visits are obvious, along with your friend in Switzerland. How and why you continue to betray your country is beyond my belief. The general public would be just as disappointed and disgusted with your continuous crimes as am I.

Servant to God,
David Andrew Bardes

6/17/2020 - Based on website traffic it is readily apparent that Bill Gates is still deeply involved in deep state corruption. It is disappointing that the world's wealthiest man is still betraying his country and engaging in serious crimes. I have extensive website traffic logs (which the federal courts consider the the level of "irrefutable evidence") detailing Bill's role as lead negotiator with China in the cover up of George Bush2 bribing Interpol's President (who was sentenced to prison in China for same) and the ICC judges to throw their investigation into Bush2/CIA cold cell torture. Bills crimes initially succeeded, but then failed dramatically. Yet Bill continues hiding his crimes unabated. I hope Bill Gates sues me in federal court for posting all of this, as I could make counter claims, and obtain subpoena powers during discovery. The amount of documentary evidence I could produce into the public record would be remarkable. I have no assets or reputation to protect, while Bill does. So, there is little to nothing Bill will do.

6/18/2020 - Below is another victim drawing of cold cell torture. Shivering violently while naked in a super chilled air conditioned room, the victim was repeatedly beaten with a club.Whacked in the head, back, buttocks, and legs, the victim screamed out in pain. Jesus Christ died of hypothermic torture while naked and nailed to a cross so he could not shiver. This is what George Bush2, Dick Cheney, the FBI, and the CIA did repeatedly, and still defend. And Bill Gates fully supports and covers up their crimes with more corruption. When will justice come?

7/11/2020 - This victim's hand drawing depicts a mixture of cold water torture with drowning. Naked cold shackled

in a box of ice cold water, the victims were gasping for air to breathe as their heads were pushed underwater. The sick twisted minds that concoct and carry out these evil tortures, along with those who continue to cover up and deny justice to victims deserve the wrath of God come down upon them.

Re: The "Abomination That Causes Desolation"

Dear Fearful George:

Apparently not an hour goes by that you are not worried about me. I worked today, Saturday, got to the shop at 12:30pm ET, and used WiFi for about half an hour. You tracked my cell phone location, knowing I drove to the shop, then had the CIA visit the website at 1:14pm ET to see if I posted anything new. Your drone followed me to the job site. After getting back to the shop at 8:30pm ET, you had the Germany CIA center visit the website at 9:13pm ET, again to see if I posted anything new.

Last night you visited the website at 2:54am ET. When do you sleep? This is after late night and early morning meetings with the CIA, FBI, and others all about me. Do you do anything else other than me?

And who is "Q?" I keep reading news stories about some high level government official hanging out on the deep

fringes of the dark web, posting about the "deep state." The social media companies are purging accounts associated with this Q. Q is a coward, obviously. Hiding even your identity is a position of weakness. But Q sure has a large and growing following of poor misguided souls, who will be shocked when the magnitude of the truth is finally revealed.

Then Bill Gates goes on television addressing all the conspiracy theorists who hate his guts. People believe Bill conspired with the Chinese to bring COVID-19 to Washington state, to infect the nation, just so Bill can profit from the vaccines he has funded. These poor fools will be doubly shocked when they find out just what Bill did with the Chinese to betray his nation. And it has nothing to do with viruses and vaccines.

It is time for the good people to band together, engage some courage, and rat out the deep state. Just as the Prophet Daniel foretold. Haggai's "day of blessing" occurred on 6/22. Then thirty (30) days later on 7/22, COVID-19 deaths in the US crossed the 144,000 threshold, fulfilling Revelation. Have you had your "face to face" meeting with Donald Trump yet? Where you "sat" at the same table both with "hearts bent on evil" and "lied to each other, but to no avail?" This fulfills Daniel and Jeremiah. According to Ezekiel 4, my exile is to last 430 days, which ends this Saturday, August 1st. The 430 days was made up of two periods, the first being 390 days, which ended on 6/22, ironically on Haggai's day of blessing, followed by 40 days ending on 8/1.

Next, according to the order of scripture, comes the "abomination that causes desolation," as foretold by Daniel and Jesus. I am pretty sure this has to do with you. The end of you. After the end of you, comes a period of time, then the "dreaded day of the Lord," occurs where the rest of the deep state suffers the "plague, famine, and sword." As foretold by Zechariah, Isaiah, Jeremiah, Ezekiel, and Daniel.

So, George, there is not much time left. Repent and turn from your evil ways. I am convinced you will not. I offered you mercy, but you rejected it. I offered you forgiveness if you apologized to me, but you rejected it. I offered to accept money and wash my hands of you, but you rejected it. Instead, you have chosen the wrath of God. Do not blame me, do not blame Jesus, and do not blame God. You have chosen your own fate.

Servant to God,
David Andrew Bardes

Re: According to God's grand plan for the end times

To fearful George:

Good afternoon you coward. I conducted an experiment this morning. This morning at 10:26am ET, I logged onto GoDaddy and used FTP to upload the same homepage that was already there. I wanted to confirm the notification chain to you, by measuring the time it took for you to visit the website to see if I had posted an update. It took one (1) hour, and eleven (11) minutes until you visited at 11:37am ET. Were you in church? What a joke.

I know the notification chain includes GoDaddy, Larry, the CIA, and then you. Based on this and past updates.

Last Wednesday, July 29th, Donald Trump flew to no place in far west Texas, called Midland, ironically to your and Laura's hometown. Perhaps for a "face to face" meeting as foretold by Daniel and Jeremiah? Where you "lied to each other, but to no avail?" How did it go? Was it really to "no avail?"

This fits your pattern of conducting elaborate schemes in way west Texas. Like your ill-fated hunting trip debacle where God whacked Scalia just to bring an end to the TortureGate Corruption Scandal that consumed the federal courts? Where your two torture doctor demons then got the whip from a judge named "Quakenbush?"

Yesterday, 8/1, was the last day of my exile. Lasting 430 days as foretold by God in Ezekiel 4, during which I endured five (5) months of you sending killers every day. Machine guns, missiles, bombs, special forces attack helicopters, troop transports with two dozen killers, A10-Warthogs, AC-130 military gunships, Air Force bombers, then a dozen killers in cars. The only logical explanation for how I survived is God protected me every step of the way.

Even though you were behind such affliction, God claims credit in Ezekiel 4. Where God's wrath fell on me for 430 days for very specific reasons. If Satan was doing the wrath, I would be dead, but if God was doing the wrath, he could at least keep me alive. God has been training me with suffering and surviving. But God wrote the day my exile ended, he would turn his wrath away from me and onto you. God reuses prophetic scripture up to three times, perhaps more. Notice below where God says his wrath will turn from me onto you.

Isaiah 10:24-27
24 Therefore this is what the Lord, the Lord Almighty, says: "My people [Bardes] who live in Zion, do not be afraid of the Assyrians [deep state], who beat you with a rod and lift up a club against you, as Egypt did. 25 Very soon my anger against you [Bardes] will end and my wrath will be directed to their destruction." 26 The Lord Almighty will lash them with a whip, as when he struck down Midian at the rock of Oreb; and he will raise his staff over the waters, as he did in Egypt. 27 In that day their burden will be lifted from your [Bardes] shoulders, their yoke from your neck; the yoke will be broken because you have grown so fat [powerful].

What other explanation do you have for how I got myself into this situation, and "have grown so fat?" I was innocently seeking justice in my own cold cell torture case, when I ran into you and your CIA/FBI cold cell criminals. I sued four of your crooked federal judges all the way to the most corrupt court of them all, bringing an end to TortureGate. Then all of a sudden I have Bill Gates recruiting killers to kill me? I never got involved in Bill's business, never crossed him, but woe to me, Bill wants to kill me? Larry Page and Google are also compromised, as are the rest of our technology companies? Interpol bribes, crooked ICC judges being paid off? I have website log evidence of a late night meeting between Donald Trump and Xi Jinping, both visiting coldcelltorture.com at the

same time. Now our nation has been compromised, forever beholden to Chinese corruption, lead by their president, just so China will keep the secrets of Bush bribes to the ICC judges, along with potential exposure of the deep state? I survived a seven month long FBI investigation trying desperately to dig up dirt on me. Finding nothing. A CIA agent moving in next door wanting to become my girlfriend? Followed by 430 days of what God called the "punishment that brought us the peace?" Containing the period that Jesus called a military based "Armageddon?" Where so many military weapons were sent to kill me? Do you really think I alone could have made all of this occur, and survived? When I am just one voice calling out in the wilderness?

There are numerous other examples of all of this occurring in the last seventeen books of the Old Testament and Revelation. Read it for yourself. You are doomed. You and your deep state are doomed. According to God's grand plan for the end times, the script of which God wrote before the creation of the earth. And downloaded to his prophets three thousand years ago.

What chance do you think you stand against an onslaught of such force? I endured it for 430 days, God now places it upon you. Good luck with it. It is not pleasant. Repent and turn from your evil ways before it is too late. Else, prepare for the wrath of God.

"Flee from Babylon!" is the advice God left behind for all of you.

To the good people, Daniel 9:26 contains your instructions from God, "The people of the ruler who will come will destroy the city and sanctuary." Right now you are living under their constant threat, and are therefore at maximum risk. You can never truely be safe until the moment you rat them all out. Only then are you out of danger. It is time to band together, engage some courage, and rat out the deep state. Do not delay.

Servant of God,
David Andrew Bardes

At 3:14pm ET, I posted the below to the website log homepage. Will have to wait to see how long it takes word to spread.

8/9/2020 - Apparently the ICC is now ramping up their investigation into George, Dick, and the CIA criminal's use of cold cell torture used to murder innocent people. George's $2.1 million dollar bribe to the Interpol president, who China already put in prison, in order to pay bribes to the crooked ICC judges, along with Bill Gates leading the negotiations with China to maintain silence over the whole sorted matter, failed badly. I assume the end goal is to have these cold cell criminals rot in a European dungeon for the rest of their lives. Each in their own cold cell. Where George can binge-paint pictures of all his victims.

At 4:47pm ET, I Tweeted the below:

What's up with George W. Bush? Binge-painting 99 portraits of soldiers from a war born from deception? Now binge-painting 43 portraits of Mexican's tortured with cold cell torture? Where are the portraits of the innocent Muslim victims tortured to death? eliasmonastery.com

Above, George calling someone at the top of the hour in Washington, DC. Regarding something to do with paying me off with money. This person visited cold cell, as if new, but thus person visited last year, but is being contacted the first time this year now. Hence they visited cold cell, which they recognize from last year. I do not know who this DC person is. But they are needed to pull off whatever George has in store.

George, Bill, and Larry are all of a sudden in a big hurry to pay me off. And may happen tonight. What prompted this I do not know at this time. But something brought it about.

Above, George visits late at night, while I was working on the below.

At ~11:30pm ET, on 9/13/2020, I emailed the following to Geroge and Larry:

Re: "Today's End Times Application of 2 Esdras"

To fearful George:

I see that you just visited the website. Late at night thinking of me. Have you been binge painting?

The below is purely for your contemplation. Repent and turn from your evil ways before it comes true?

Today's End Times Application of 2 Esdras

By David Andrew Bardes
9/13/2020

The Biblical (Apocalyptic) book of 2 Esdras has been omitted from many Protestant Christian Bibles, while others include it. It is included in the Catholic bible. 2 Esdras is a prophetic scripture for Jews.

Written by the Hebrew prophet Ezra, the exact date of origin remains debatable. It was either written in the 5th century BC, or 70-218 AD. For the sake of the below application to today's times, the date of origin is meaningless.

I have placed within the text, using "[" and "]" markers, my guesses as to the application to today's end times. These are guesses, and may be switched around or just wrong. Fill in as you see it, I make no claim as to correctness.

2 Esdras 11
New Revised Standard Version

The Vision of the Eagle

1 On the second night I [Ezra] had a dream: I saw rising from the sea an eagle [United States government] that had twelve feathered wings [Presidents from Hoover to Clinton] and three heads [Bush2, Obama, Trump]. 2 I saw it spread its wings over[a] the whole earth, and all the winds of heaven blew upon it, and the clouds were gathered around it.[b] 3 I saw that out of its wings there grew opposing wings; but they became little, puny wings. 4 But its [three] heads were at rest [not elected yet]; the middle head [Trump] was larger than the other heads, but it too was at rest with them. 5 Then I saw that the eagle flew with its wings, and it reigned over the earth and over those who inhabit it. 6 And I saw how all things under heaven were subjected to it, and no one spoke against it—not a single creature that was on the earth. 7 Then I saw the eagle rise upon its talons, and it uttered a cry to its wings, saying, 8 "Do not all watch [all be president] at the same time; let each sleep in its own place, and watch in its turn [one president a time]; 9 but let the [three] heads be reserved for the last [last three presidents] ."

10 I looked again and saw that the voice did not come from its heads, but from the middle of its body. 11 I counted its rival wings, and there were eight of them. 12 As I watched, one wing [President Herbert Hoover] on the right side rose up, and it reigned over all the earth. 13 And after a time its reign came to an end, and it disappeared [out of office], so that even its place was no longer visible. Then the next wing [Franklin D. Roosevelt] rose up and reigned, and it continued to reign a long time [served 4 terms]. 14 While it was reigning its end came also [died in office], so that it disappeared like the first. 15 And a voice sounded, saying to it, 16 "Listen to me, you who have ruled the earth all this time; I announce this to you before you disappear. 17 After you [Roosevelt] no one shall rule as long as you have ruled [22nd Amendment passed just after FDR's death limiting presidency to 2 terms thereafter], not even half as long."

18 Then the third wing [Harry S. Truman] raised itself up, and held the rule as the earlier ones had done, and it also disappeared. 19 And so it went with all the wings [Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson, Richard Nixon, Gerald Ford, Jimmy Carter, Ronald Reagan, George H. W. Bush, Bill Clinton]; they wielded power one after another and then were never seen again. 20 I kept looking, and in due time the wings that followed[c] also rose up on the right[d] side, in order to rule. There were some of them that ruled, yet disappeared suddenly [John F. Kennedy shot]; 21 and others of them rose up, but did not hold the rule [Nixon resigned]. 22 And after this I looked and saw that the twelve wings and the two little wings had disappeared, 23 and nothing remained on the eagle's body except the three heads that were at rest and six little wings.

24 As I kept looking I saw that two little wings [John McCain, Mitt Romney] separated from the six and remained [loyal] under the head [Bush2] that was on the right [right-wing Republican] side; but four remained in their place. 25 Then I saw that these little wings[e] planned to set themselves up [run for office] and hold the rule [become president]. 26 As I kept looking, one was set up, but suddenly disappeared [John McCain lost the election]; 27 a second also, and this disappeared [Romney lost the election] more quickly than the first. 28 While I continued to look the two [Bush2 and Obama] that remained were planning between themselves to reign together [deep state alliance between Obama and Bush2]; 29 and while they were planning, one of the heads [Trump] that were at rest (the one that was in the middle) suddenly awoke [was elected]; it was greater than the other two heads. 30 And I saw how it allied the two heads [Bush2 and Obama] with [themselves] itself [creating the Russia investigation], 31 and how the head [Trump] turned with those that were with it [Trump voters] and devoured the two little wings [Hillary Clinton/Tim Kaine] [f] that were planning to reign [running for office]. 32 Moreover this head [Trump] gained control of the whole earth, and with much oppression dominated its inhabitants; it had greater power over the world than all the wings that had gone before.

33 After this I looked again and saw the head in the middle [Trump] suddenly disappear, [lost election or died?] just as the wings had done. 34 But the two heads remained [Bush2/Obama], which also in like manner ruled over the earth and its inhabitants [deep state leaders]. 35 And while I looked, I saw the head on the right side [right-wing Bush2] devour the one on the left [left-wing Obama].

A Lion Roused from the Forest

36 Then I heard a voice saying to me, "Look in front of you and consider what you see." 37 When I looked, I saw what seemed to be a lion roused from the forest, roaring; and I heard how it uttered a human voice to the eagle, and spoke, saying, 38 “Listen and I will speak to you. The Most High says to you, 39 ‘Are you not the one [Trump] that remains of the four beasts [Clinton/Bush2/Obama/Trump] that I had made to reign in my world, so that the end of my times might come through them? 40 You [Trump], the fourth that has come, have conquered all the beasts that have gone before; and you have held sway over the world with great terror, and over all the earth with grievous oppression; and for so long you have lived on the earth with deceit [Trump's business dealings].[g] 41 You have judged the earth, but not with truth [lies], 42 for you have oppressed the meek [poor/people of color, immigrants] and injured the peaceable [peaceful protesters]; you have hated those who tell the truth [press/media], and have loved liars; you have destroyed the homes of those who brought forth fruit, and have laid low the walls of those who did you no harm. 43 Your insolence has come up before the Most High, and your pride to the Mighty One [holding up a bible after gassing and shooting innocent people]. 44 The Most High has looked at his times; now they have ended, and his ages have reached completion. 45 Therefore you, eagle [United States government], will surely disappear [not the nation itself, just the government will be rebuilt by God], you and your terrifying wings, your most evil little wing, your malicious heads, your most evil talons, and your whole worthless body, 46 so that the whole earth, freed from your violence, may be refreshed and relieved, and may hope for the judgment and mercy of him [God] who made it.'"

2 Esdras 12
New Revised Standard Version

1 While the lion was saying these words to the eagle, I looked 2 and saw that the remaining head [Trump] had disappeared [died?]. The two wings that had gone over to it [Pence and his VP] rose up and[a] set themselves up to reign, and their reign was brief [months] and full of tumult. 3 When I looked again, they were already vanishing. The whole body of the eagle [government] was burned, and the earth was exceedingly terrified.

Then I woke up in great perplexity of mind and great fear, and I said to my spirit, 4 "You have brought this upon me, because you search out the ways of the Most High. 5 I am still weary in mind and very weak in my spirit, and not even a little strength is left in me, because of the great fear with which I have been terrified tonight. 6 Therefore I will now entreat the Most High that he may strengthen me to the end."

The Interpretation of the Vision

7 Then I said, “O sovereign Lord, if I have found favor in your sight, and if I have been accounted righteous before you beyond many others, and if my prayer has indeed come up before your face, 8 strengthen me and show me, your servant, the interpretation and meaning of this terrifying vision so that you may fully comfort my soul. 9 For you have judged me worthy to be shown the end of the times and the last events of the times."

10 He said to me, “This is the interpretation of this vision that you have seen: 11 The eagle [government] that you

saw coming up from the sea is the fourth kingdom [Trump] that appeared in a vision to your brother Daniel. 12 But it was not explained to him as I now explain to you or have explained it. 13 The days are coming when a kingdom [United States] shall rise on earth, and it shall be more terrifying than all the kingdoms that have been before it. 14 And twelve kings [Hoover to Clinton] shall reign in it, one after another. 15 But the second that is to reign [Roosevelt] shall hold sway for a longer time than any other one of the twelve. 16 This is the interpretation of the twelve wings that you saw.

17 "As for your hearing a voice that spoke, coming not from the eagle's[b] heads [presidents] but from the midst of its body, this is the interpretation: 18 In the midst [year 1865] of[c] the time of that kingdom great struggles [civil war] shall arise, and it shall be in danger of falling; nevertheless it shall not fall then [the Union held], but shall regain its former power.[d] 19 As for your seeing eight little wings[e] clinging to its wings, this is the interpretation: 20 Eight kings [presidents] shall arise in it, whose times shall be short [4 or 8 years] and their years swift; 21 two of them shall perish [Kennedy/Roosevelt] when the middle of its time draws near; and four [Clinton/Bush2/Obama/Trump] shall be kept for the time when its end approaches, but two [Obama/Bush2] shall be kept until the end.

22 "As for your seeing three heads at rest, this is the interpretation: 23 In its last days the Most High will raise up three kings [Bush2/Obama/Trump],[f] and they[g] shall renew many things in it, and shall rule the earth 24 and its inhabitants more oppressively [more corrupt] than all who were before them. Therefore they are called the heads of the eagle, 25 because it is they who shall sum up his wickedness and perform his last actions. 26 As for your seeing that the large head [Trump] disappeared, one of the kings [Trump][h] shall die in his bed, but in agonies [stroke?/Covid-19?] 27 But as for the two who remained [Bush2/Obama], the sword shall devour them. 28 For the sword of one [Bush2] shall devour him [Obama] who was with him [deep state buddies]; but he [Bush2] also shall fall by the sword in the last days.
29 "As for your seeing two little wings [Pence and his VP][i] passing over [becoming loyal] to[j] the head which was on the right side [Bush2], 30 this is the interpretation: It is these whom the Most High has kept for the eagle's[k] end; this was the reign which was brief [months] and full of tumult, as you have seen.

31 "And as for the lion whom you saw rousing up out of the forest and roaring and speaking to the eagle and reproving him for his unrighteousness, and as for all his words that you have heard, 32 this is the Messiah[l] [means "Anointed One" (glowing) not a savior] whom the Most High has kept until the end of days, who will arise from the offspring of David, and will come and speak[m] with them. He will denounce them for their ungodliness and for their wickedness [use of torture], and will display before them their contemptuous dealings. 33 For first he will bring them alive before his judgment seat, and when he has reproved them, then he will destroy them. 34 But in mercy he will set free the remnant of my people, those who have been saved throughout my borders, and he will make them joyful until the end comes, the day of judgment, of which I spoke to you at the beginning. 35 This is the dream that you saw, and this is its interpretation. 36 And you alone were worthy to learn this secret of the Most High. 37 Therefore write all these things that you have seen in a book, put it[n] in a hidden place; 38 and you shall teach them to the wise among your people, whose hearts you know are able to comprehend and keep these secrets. 39 But as for you, wait here seven days more, so that you may be shown whatever it pleases the Most High to show you." Then he left me.

Above, George is very upset, hit the refresh button four (4) times in three seconds. Indicating worry and concern. Last time he visited was Saturday the 26th. Around 8pm on a Saturday evening. Now five (5) days later he visits again. It looks like George went to the website, clicked on the PDF of the Vision of the Eagle, and perhaps emailed it to someone? Someone like Trump? Or Obama? Then below, at the top of the hour, the CIA visits.

[Update Note: the above worried visit from George, was his advance notice that Donald Trump tested positive for Covid-19. Hope Hicks was postive on Wednesday, traveled with Trump, and got him sick it appears. On Friday morning Trump had a fever, by late afternoon, they took him to Walter Reed Hospital.]

Re The Time Has Come

To Fearful George:

September 30th marked day 490 since my exile began on May 29, 2019. This culminates Daniel's 70 "sevens" (weeks,) which God foretold would sum up his end times. After which God's wrath would come quickly.

The very next day Donald Trump was diagnosed with Covid-19, along with dozens of others emptying the west wing. Which Daniel wrote "And one [Covid-19] that causes desolation [plague] will come upon the [west] wing of the abominable temple [white house], until the end that is decreed is poured out on the desolated city."

The "end" for who God called the "foolish" shepherd, is found in Zechariah 11:15-17. Which sounds more like a stroke to the right side of the body? This is a guess of course.

As for you, it is time for you to read Ezekiel 33, and take it to heart. The time has come.

Servant to God,
David Andrew Bardes

At 7:17pm ET on 10/19/2020, I emailed the below:

Re: God's "hand is raised."

Dear Fearful George:

You did not like Ezra's "tiny scroll" of the "Vision of the Eagle" delivered to you on 9/13/2020? There is a story behind this mighty work of God.

Last summer in Indian River, Michigan, as you closed ranks upon me, I was rescued by a kind couple who I can only describe as angels sent from God. They let me stay in a run-down plywood shack deep in the woods. With my car and the wooden shack hidden under a thick canopy of trees, I was safe from your spying satellites.

The first attack run of your two A10-Warthogs, flew at treetop level directly over the shack, flying low towards town to shred me to bits. I started laughing, as God had saved me once again. For ten (10) days those A10-Warthogs flew hourly sorties looking for me.

The wooden shack in the woods had a collection of old religious books, including the ancient texts of the

Apocalyphra. This was the first time I had ever encountered 2 Esdras. It was so damning that I "ate" it, keeping it hidden. I did not put it on my iPad or Windows laptop, lest it be gleaned by you. It tasted as sweet as honey in my mouth. I kept it hidden for the right time.

This time period is described in detail in Ezekiel 3. Which also describes my subsequent drive to Cincinnati to suffer the rest of Armageddon.

Ezekiel 3
1 And he [God] said to me, "Son of man, eat what is before you, eat this scroll; then go and speak to the people of Israel [George's deep state]." 2 So I opened my mouth, and he gave me the scroll to eat.

3 Then he said to me, "Son of man, eat [hide] this scroll I am giving you and fill your stomach with it." So I ate [hid] it, and it tasted as sweet as honey in my mouth.

4 He then said to me: "Son of man, go now to the people of Israel [deep state] and speak [send email] my words to them. 5 You are not being sent to a people of obscure speech and strange language, but to the people of Israel [deep state]— 6 not to many peoples of obscure speech and strange language, whose words you cannot understand. Surely if I had sent you to them, they would have listened to you. 7 But the people of Israel [deep state] are not willing to listen to you because they are not willing to listen to me, for all the Israelites [deep state] are hardened and obstinate. 8 But I will make you as unyielding and hardened as they are. 9 I will make your forehead like the hardest stone, harder than flint. Do not be afraid of them or terrified by them, though they are a rebellious people."

10 And he said to me, "Son of man, listen carefully and take to heart all the words I speak to you. 11 Go now to your people in exile and speak to them. Say to them, 'This is what the Sovereign Lord says,' whether they listen or fail to listen."

12 Then the Spirit lifted me up, and I heard behind me a loud rumbling sound [roaring of A10-Warthog jet engines] as the glory of the Lord rose from the place where it was standing. 13 It was the sound of the [jet airplane] wings of the living creatures brushing against each other and the sound of the wheels beside them, a loud rumbling sound [roaring jets]. 14 The Spirit then lifted me up and took me away [drove to Cincinnati], and I went in bitterness and in the anger of my spirit, with the strong hand [protection] of the Lord on me. 15 I came to the exiles [homeless shelter] who lived at Tel Aviv [Cincinnati] near the Kebar [Ohio] River. And there, where they were living [ShelterHouse], I sat among them for seven days—deeply distressed.

Ezekiel's Task as Watchman

16 At the end of seven days the word of the Lord came to me: 17 "Son of man, I have made you a watchman for the people of Israel [deep state]; so hear the word I speak and give them warning from me. 18 When I say to a wicked person, 'You will surely die,' and you do not warn them or speak out to dissuade them from their evil ways in order to save their life, that wicked person will die for their sin, and I will hold you accountable for their blood. 19 But if you do warn the wicked person and they do not turn from their wickedness or from their evil ways, they will die for their sin; but you will have saved yourself.

20 "Again, when a righteous person turns from their righteousness and does evil, and I put a stumbling block before them, they will die. Since you did not warn them, they will die for their sin. The righteous things that person did will not be remembered, and I will hold you accountable for their blood. 21 But if you do warn the righteous person not to sin and they do not sin, they will surely live because they took warning, and you will have saved yourself."

The date I ate the "tiny scroll" was 8/13/2019. Thirteen (13) months later, on 9/13/2020, I delivered it to you. This was based on instructions from Jeremiah 25:3 (containing the numbers 13 and 23) and Revelation 10.

Revelation 10 speaks of the time right before the seventh trumpet is to be blown, where there will be "no more delay." Again, I was instructed to "eat" the tiny scroll, written by the "seven thunders of heaven" (seven visions of Ezra.) This tiny scroll was to taste as "sweet as honey" in my mouth, but turn my stomach "sour." I was physically sick to my stomach for ten (10) days, with the tenth day, 9/23, being so bad I missed a day of work, bent over vomiting, with bloating, cramping, gas, diarrhea, and constipation. God was letting me know, on the 23rd, the

fulfillment of the end was nigh. Without any more delay.

After you received God's mighty surprise, you called on the folks at the Idaho National Laboratory. Who protect us from the greatest threats facing our nation. Like from nuclear attack. But these folks had no playbook for a full-frontal assault from the wrath of Almighty God? Then you called their top leader for advice, who was ironically vacationing in Northern Michigan. He was no help either.

Perhaps you should consult God instead of mere mortals? God left you instructions on how to mitigate such calamity. Repent and turn from your evil ways. In which case your sins are forgotten, and God's wrath lifted from your fate.

God has gone to great effort to try to save you. Isaiah, Jeremiah, and Ezekiel, repeat God's imploring words for you to repent and turn from your evil ways. To disband your deep state, and end your evil reign. For over a year, I have emailed you time and time again, to abandon Satan and turn back to God.

At great risk to myself, while dodging rounds of special forces attack helicopters, troop transports with two dozen killers, A10-Warthogs, AC-130 gunships, Air Force bombers, FBI killers, and dozens of killers in cars, I spent my time trying to save you.

I keep saying to God, "God, George is not going to listen to you. I know you keep wanting me to save him, but I think it is a waste of time." Now, just before the seventh trumpet is to be blown, God's hand is now raised. Ezekiel 33 is God's last attempt to save you, as I said to you in my last email. Repent and turn from your evil ways.

What fate awaits the technology CEO's who have also chosen to serve Satan? God foretold their wealth will not be able to save them in the end. But other than their wealth becoming "plunder" to be given to the homeless, poor, and disabled, their fate is not specifically revealed, other than they will no longer exist as a threat. Per Isaiah 33:18-19.

Isaiah 33:18-19
18 In your thoughts you will ponder the former terror:

"Where is that chief [executive] officer? [Bill Gates, Larry Page, Tim Cook]
Where is the one who took the revenue? [Richard Beason, former US Treasurer, IRS]
Where is the officer [Donald Trump] in charge of the towers? [Trump Towers]"

19 You will see those arrogant people no more, people whose speech is obscure, whose language is strange and incomprehensible.

We know the foretold fate of the "officer in charge of the towers" from Ezra's vision of the eagle. So, perhaps Bill Gates will become some inmate's nightly sodomy cushion in a cold cell? Especially after China is done beating him up, and the truth revealed? Larry Page, who coined the phrase "do no evil," ends up doing nothing but evil? Larry may end up as a cellmate with El Chapo? Tim Cook? Who knows? Unless they repent and turn from their evil ways, as the now raised hand of God will determine their fate. I tried to save them, as well as you, George, but failed. But as God wrote, I will not be held accountable.

Servant to God,
David Andrew Bardes

At 11:22pm ET on 10/28/2020, I emailed the below:

Re: Happy Birthday, Bill

To Fearful George and Cowardly Bill:

Happy birthday Bill, big 65? The right retirement age to go to prison for the rest of your life?

Did you like my "becoming some inmate's nightly sodomy cushion" joke? Actually, at the SuperMax in frigid Colorado, you would be locked in your own concrete cold cell, and never see the sky again, or talk to another human being. Or you can live in exile minus your wealth. This is the choice God left for you, the other technology CEO's, and George's deep state organized crime syndicate members. According to scripture.

Now that you have had time to digest Ezra's Vision of Eagle, the last seventeen (17) books in the Old Testament, from God's prophetic profits of Israel, along with Revelation, and three Gospel's predictions of the end times, all starts to fall in place. With the same precision as revealed in 2 Esdras.

You have to understand something. I have never heard the voice of God, have never seen an angel, have had no revelations, because God forced me to rely only on what was written in scriptures. And nothing else. Because each chapter in the books mentioned above, has come to pass. How do you think I was able to survive all those attacks by your machines of death? There is a chapter on each one.

So, does God have your attention now?

I can only guess what is soon going to happen based on the words of God from the bible. I am no better a guesser than you. But I am convinced because since the rest of it has come true, such certainty becomes logical.

I am providing below some biblical prophecy that applies to this very moment in time. Just before the city of Bablyon falls, and the eagle disappears. God spoke repeatedly about "plunder" and "loot" taken from you criminals. Then you get both "human justice" (life in prison,) and God's wrath (instant poverty.) God called it "pour them a double portion from their own cup."

Apparently the deep state will collapse by betrayal from within. That is my take on scripture. God wrote that one-third of the deep state criminals will live in exile minus their wealth, one third will befall human justice, and one third perish from the face rotting plague found in Zechariah 14. God calls this the "Dreaded Day of the Lord."

Jesus described this event of such horror and terror as "two people will be in the field and one taken," and "two people will be in the same bed at night and one taken, the other left."

Also please remember that God uses heavy metaphorical language. When God writes that someone will burn with fire, that does not mean actual combustion, rather some sort of calamity.

Haggai chapter 2 is perhaps the best description of what is about to happen soon. God states he is going to seize lots of gold and silver, which is a reference to wealth. Whose wealth? Your wealth.

Haggai 2:8
‘The silver is mine and the gold is mine,’ declares the Lord Almighty.

Jeremiah 51:44
I will punish Bel [Bill] in Babylon [deep state] and make him spew out what he has swallowed [all of his money]. The nations will no longer stream [TCP/IP steaming] to him. And the wall of Babylon [deep state] will fall.

[In prison, Bill will never use the Internet or a computer again.]

Ezekiel 7:19
"'They [you] will throw their silver into the streets, and their gold will be treated as a thing unclean. Their silver and gold will not be able to deliver [save] them in the day of the Lord’s wrath. It will not satisfy their hunger or fill their stomachs, for it has caused them to stumble into sin.

Zechariah 9
Judgment on Israel’s Enemies [deep state]
3 Tyre has built herself a stronghold [fortified bunker]; she has heaped up silver like dust, and gold like the dirt of the streets. 4 But the Lord will take away her possessions and destroy her power on the sea, and she will be consumed by fire.

Amos 3:7-12
Witnesses Summoned Against Israel [deep state]

7 Surely the Sovereign Lord does nothing
  without revealing his plan
  to his servants the prophets.

8 The lion [lion roused from the forest, from 2 Esdras] has roared—
  who will not fear?
The Sovereign Lord has spoken—
  who can but prophesy?

9 Proclaim [call] to the fortresses [home] of Ashdod [each of you]
  and to the fortresses [home] of Egypt [another one of you]:

"Assemble [Zoom meeting?] yourselves on the mountains [Internet cloud] of Samaria [USA];
see the great unrest within her [in the USA today]
and the oppression among her people [poor, homeless, disabled, Black, LGBTQIA+, women, Mexicans, Native Americans, scores others]"

10 "They do not know how to do right," declares the Lord,
"who store up in their fortresses
what they have plundered and looted. [silver and gold]

11 Therefore this is what the Sovereign Lord says:

"An enemy will overrun your land,
pull down your strongholds
and plunder your fortresses."

[The "enemy" above, is the same God refers to as the "Army from the North," his "Army of Locusts" from Joel 2, and Revelation describes as God's army of two hundred million angels on horseback, wearing yellow, red, and blue uniforms and banners, descending all over the earth, not breaking ranks, finding each member of the deep state, scaling walls, and climbing in windows, to administer the face rotting plague from Zechariah 14.]

12 This is what the Lord says:

"As a shepherd rescues from the lion's mouth
only two leg bones or a piece of an ear,
so will the Israelites [the one in exile] living in Samaria be rescued,
with only the head of a bed
and a piece of fabric from a couch."

The only possessions I own are a bed with a blanket on it. Not even a chair. I can afford material possessions once again, but chose not to own anything. If I cannot take it to heaven with me, I do not want it.

Ezekiel 28
A Prophecy Against the King [you] of Tyre

1 The word of the Lord came to me: 2 "Son of man, say to the ruler of Tyre, 'This is what the Sovereign Lord says:

"'In the pride of your heart
you say, "I am a god;
I sit on the throne of a god
in the heart of the seas."
But you are a mere mortal and not a god,
though you think you are as wise as a god.

3 Are you wiser than Daniel? [prophecy about the fall of Babylon]
Is no secret hidden from you?

4 By your wisdom and understanding
you have gained wealth for yourself
and amassed gold and silver
in your treasuries.

5 By your great skill in trading [business]
you have increased your wealth,
and because of your wealth
your heart has grown proud.

6 "'Therefore this is what the Sovereign Lord says:

"Because you think you are wise,
as wise as a god,

7 I am going to bring foreigners [God's army of angels on horseback] against you,
the most ruthless of nations;
they will draw their swords [metaphorical] against your beauty and wisdom
and pierce your shining splendor.

8 They will bring you down to the pit,
and you will die a violent death
in the heart of the seas [metaphorical or literal?].

9 Will you then say, "I am a god,"
in the presence of those who kill you?
You will be but a mortal, not a god,
in the hands of those who slay you.

10 You will die the death of the uncircumcised
at the hands of foreigners.

I have spoken, declares the Sovereign Lord.'"

Repent and turn from your evil ways, and God wrote that he would withdraw his pending army of two hundred million angels on horseback from effecting God's final dreaded day of wrath. Instead God wrote he would perhaps send a blessing instead (Joel 2:12-17.).

Afterward, God has in store such incredible marvels of joy for all those on earth.

But locked in your concrete cold cell, you will never know?

Happy birthday, Bill.

Servant to God,
David Andrew Bardes

At 5:15pm ET, on 11/7/2020, I emailed the below:

Re: Biden Beats Trump - "Pharaoh's Arms Are Broken"

To Fearful George and Cowardly Bill:

God's biblical prophecy continues to come true, chapter by chapter, like clockwork.

The election was called today for Joe Biden. This brings Ezra's prophecy of the Vision of the Eagle to fruition word by word.

The day before the election, I saw a picture reported in the news of a smiling Jim Comey wearing a Biden tee-shirt holding a Biden coffee cup. I thought, gee, I wonder who the deep state is rooting for?

Further detail of the election was provided by God in Ezekiel 30:20-26.

Ezekiel 30:20-26
Pharaoh's Arms Are Broken
20 In the eleventh [November] year [month], in the first [day of the week, Saturday, the Jewish Sabbath starts the new week] month [week] on the seventh day [today is the 7th], the word of the Lord came to me: 21 "Son of man, I have broken the arm [lost the election] of Pharaoh [Trump] king of Egypt [USA]. It has not been bound up to be healed or put in a splint so that it may become strong enough to hold a sword [power]. 22 Therefore this is what the Sovereign Lord says: I am against Pharaoh [Trump] king of Egypt [USA]. I will break both his arms, the good arm as well as the broken one, and make the sword [power] fall from his hand [God's wrath against Trump is not over, we know from the Vision of the Eagle that the "big head in the middle" will "die in his bed, but in agonies."]. 23 I will disperse the Egyptians [those who swore loyalty to Trump, forsaking Bush2 and his deep state] among the

nations and scatter them through the countries [running for the hills]. 24 I will strengthen the arms [power] of the king of Babylon [Bush2] and put my sword [power] in his hand, but I will break the arms of Pharaoh [Trump], and he [Trump] will groan before him like a mortally wounded man [things could get ugly with Trump not accepting such defeat]. 25 I will strengthen the arms of the king of Babylon [Bush2], but the arms of Pharaoh [Trump] will fall limp [no more reign of terror]. Then they will know that I am the Lord, when I put my sword into the hand of the king of Babylon [Bush2] and he brandishes it against Egypt [those loyal to Trump]. 26 I will disperse the Egyptians among the nations and scatter them through the countries [running away from the pending wrath of Bush2]. Then they will know that I am the Lord."

This is part of God's grand plan to have the criminals just destroy each other from within, until none left. Let George destroy them in revenge for swearing loyalty to Trump?

This emboldens George and his deep state back into power, albeit for a brief period. Because God has plans for total annihilation. According to scripture.

I have been trying to figure out from Ezra's Vision of the Eagle, why George would "devour" and turn his "sword" against Obama? Perhaps because Obama now has more power then George, with Biden being Obama's lapdog? Biden will do exactly as Obama tells him to do? And the hell with George? I can only guess.

But as Ezra wrote, after George takes out Obama, leaving only George behind, God's final solution falls on the grand prize of them all? Where Jesus said in Revelation, George, the beast, and his false prophet will plunge into the lake of burning sulfur. Suffering the "second death." Which is the permanent extinguishing of George's spirit. Gone forever. Never to exist again anywhere. The same fate as will befall Satan.

Such is God's burning anger, and mighty wrath now rapidly coming true. Repent and turn from your evil ways. Save yourself, George.

As for the technology CEO's, Bill may now be safe from the wrath of the Chinese? Who are now pleased Trump is going down to the pit? But the respite may be short lived, however, as the CEO's fall when George falls. God promised his annihilation would be complete.

I have been trying to figure out from scripture, if God is going to destroy the technology CEO's companies, or just plunder their personal wealth, destroy all their houses, and throw them in prison cold cells for life? It appears their companies will be destroyed along with them? Dismantled and sold off in small pieces to competitors? Again, I am guessing here.

Ezekiel 26:1-4
A Prophecy Against Tyre [deep state and criminal CEO's]
1 In the eleventh month of the twelfth year, on the first day of the month, the word of the Lord came to me: 2 "Son of man, because Tyre [deep state] has said of Jerusalem [USA], ‘Aha! The gate to the nations is broken [Trump has been defeated], and its doors have swung open to me; now that she lies in ruins I will prosper [deep state back in power],’ 3 therefore this is what the Sovereign Lord says: I am against you, Tyre, and I will bring many nations against you, like the sea casting up its waves. 4 They will destroy the walls of Tyre and pull down her towers [office buildings]; I will scrape away her rubble and make her a bare rock [nothing left, no more round office buildings].

Ezekiel 26:12-16
12 They will plunder your wealth [instant poverty] and loot your merchandise [free technology products]; they will break down your walls and demolish your fine houses and throw your stones, timber and rubble into the sea. 13 I will put an end to your noisy songs [YouTube], and the music [iTunes] of your harps will be heard no more. 14 I will make you a bare rock, and you will become a place to spread fishnets. You will never be rebuilt [companies never to exist again], for I the Lord have spoken, declares the Sovereign Lord.

15 "This is what the Sovereign Lord says to Tyre: Will not the coastlands [west coast, silicon valley] tremble at the sound of your [George's] fall, when the wounded groan and the slaughter [metaphorical?] takes place in you? 16 Then all the princes [technology CEO's] of the [west] coast will step down from their thrones and lay aside their robes and take off their embroidered garments. Clothed with terror, they will sit on the ground, trembling every

moment, appalled at you [George].

Amos 3:13-15
13 "Hear this and testify [send this email] against the descendants of Jacob [deep state]," declares the Lord, the Lord God Almighty. 14 "On the day I punish Israel [deep state], I will destroy the altars [companies] of Bethel; the horns [executives] of the altar will be cut off and fall to the ground. 15 I will tear down the winter house along with the summer house; the houses adorned with ivory will be destroyed and the mansions will be demolished," declares the Lord.

Zephaniah 1:13-18
13 Their wealth will be plundered, their houses demolished. Though they build houses, they will not live in them; though they plant vineyards, they will not drink the wine." 14 The great [dreaded] day of the Lord is near— near and coming quickly. The cry on the day of the Lord is bitter; the Mighty Warrior [God] shouts his battle cry. 15 That day will be a day of wrath— a day of distress and anguish, a day of trouble and ruin, a day of darkness and gloom, a day of clouds and blackness— 16 a day of trumpet and battle cry against the fortified cities and against the corner towers [office buildings]. 17 "I will bring such distress on all [corrupt] people [deep state] that they will grope about like those who are blind, because they have sinned against the Lord. Their blood will be poured out [metaphorical?] like dust and their entrails like dung. 18 Neither their silver nor their gold [wealth] will be able to save them on the day of the Lord's wrath." In the fire of his [God's] jealousy the whole earth [deep state] will be consumed, for he [God] will make a sudden end of all [the corrupt] who live on the earth.

Such is God's burning anger, and mighty wrath now rapidly coming true. Repent and turn from your evil ways. Save yourselves, save your companies?

David Andrew Bardes

At 9:18pm ET on 11/9/2020, I sent the below email:

Re: Oh no, Donald is now apparently very angry?

Dear Fearful George:

How fitting you congratulated Joe Biden and Kamala Harris on their "clear victory." Saying may God continue to bless the United States. How prophetic, because not only is God going to greatly bless the good people of the United States, but everyone in the entire world very soon. By getting rid of your deep state corruption crime syndicate.

But Oh no, Donald is now apparently very angry? Watching you on television cleverly dogging him out, while seeing celebrations, jubilation, firework shows, and church bells ringing out worldwide, he has finally figured out he was duped by your deep state?

Today, Trump fired Mark Esper. CNN is reporting Gina Haspel and Christopher Wray could be next? Such would freeze out Mr. and Mrs. Cold Cell Torture themselves? Ironic?

This brought to mind a passage of God's prophecy from Jeremiah that I have not yet figured out, and remain perplexed. But perhaps you may know more of its meaning than I? I leave it in your hands.

Jeremiah 34:1-7
Warning to Zedekiah [Bush2]
1 While Nebuchadnezzar king of Babylon [Trump] and all his army [Trump's loyalists] and all the kingdoms and peoples in the empire [USA] he ruled [past tense] were fighting against Jerusalem [deep state] and all its surrounding towns [associated fiefdoms of corruption], this word came to Jeremiah from the Lord: 2 "This is what the Lord, the God of Israel, says: Go [send this email] to Zedekiah king of Judah [Bush2] and tell him, 'This is what the Lord says: I am about to give this city [deep state] into the hands of the king of Babylon [Trump], and he will

burn it down. 3 You will not escape from his grasp but will surely be captured and given into his hands. You will see the king of Babylon [Trump] with your own eyes, and he will speak with you face to face. And you will go to Babylon.

4 "'Yet hear the Lord's promise to you, Zedekiah king of Judah [Bush2]. This is what the Lord says concerning you: You will not die by the sword; 5 you will die peacefully [in your sleep, like God whacked Scalia?]. As people made a funeral fire in honor of your predecessors, the kings [presidents] who ruled before you, so they will make a fire [formal presidential funeral] in your honor and lament, "Alas, master!" I myself make this promise, declares the Lord.'"

6 Then Jeremiah the prophet told all this to Zedekiah king of Judah [Bush2], in Jerusalem [deep state], 7 while the army of the king of Babylon [Trump] was fighting against Jerusalem [deep state] and the other cities of Judah that were still holding out—Lachish [Haspel] and Azekah [Wray]. These were the only fortified cities [CIA & FBI] left in Judah.

Today is 11/9, a prophetic biblical marker date, as thirty (30) days from today will surely be a day to remember? As twenty-six (26) days from today, the promised fugitive will announce the city has fallen? See Ezekiel 4:10-11, Revelation 6:6, and Ezekiel 33:21-22. By 12/31, God's wrath should then subside?

God is now acting, just as he promised so long ago. God's foretold reign of worldwide peace is nigh. This permanent peace defeats Satan, delivering all those alive on earth for God. Hear O'Israel, your God reigns!

Servant to God,
David Andrew Bardes

At 9:17pm ET, on Friday the 13th, of November, I sent the below email.

Re: The Foretold Good News

To Fearful George:

Today is two months to the day since I delivered to you Ezra's Vision of the Eagle, via 2 Esdras 11 and 12. Which finally woke you up to what is going on.

I call Ezra, God's 18th prophetic prophet of Israel, his secret weapon. God kept it hidden in plain sight for thousands of years. Genius.

The last seventeen (17) books in the old testament are from the prophetic prophets of Israel who left behind prophecy (foretelling the future.) God carefully chose words and arranged them brilliantly, such portions come true more than once over history. Up to three times from what I can tell. Maybe more.

Ironically, however, all of it applies now, in the end times. Except for parts God left behind to deceive Satan. To set a trap. God wants Satan dead. Peace defeats Satan. How? When all the human animals on earth live in peace with each other, God wins the game. Satan loses the game. War, killing, torture, hate, where all the human animals just

kill each other off until none left, wins the game for Satan.

When God wins the game, Satan must detach himself from God as a morning star, as per the rules of the game, and God then extinguishes his spirit, by cutting off the light. Gone forever. Once Satan is gone, his hell goes with him.

God then dethrones from heaven, called New Jerusalem, and descends onto earth, landing on the Mount of Olives. The bright light clouds (glory means bright light) flowing away from God, will be at hurricane force speeds, cutting two deep valleys, one east, the other west. These bright light clouds will encircle the earth, making the night bright, lifting every human on earth up to heaven. The same way Elijah rode chariots of fire (bright light clouds) up to heaven.

But not only is God coming, but all the "holy ones" with him. Jesus, the Bright Morning Star (the "my new name" Jesus wanted to be called in the end times, see Revelation 3:12,) and all the other morning stars under him, will also come down to earth. Greeting each human in the clouds. See Zechariah 14:4-9.

Once everyone is in heaven, God will create a new earth, New Jerusalem will land on our new earth, and God will live with us on our new earth, as a reward for having been God's "sheep from the flock marked for slaughter [suffering]" in order to take out Satan, and winning the game for God.

Everyone goes to heaven all thanks to Jewish suffering. Jewish suffering earned up enough owed back good due from Satan to buy back from Satan every human that has ever lived on earth. Jesus set the example for Jewish suffering buying back from Satan every Christian and Muslim. All the other Jews suffered to buy back everyone else that has ever lived, including themselves.

Fulfilling God's original promise to Abram. That everyone on earth would be blessed (saved) by him and his offspring. This is why Jesus preached "we preach what we do know, that salvation comes from the Jews." When God "chooses" someone, things tend to go very badly for them, for a long time, only later do the blessings flow as reward.

If your theology does not close every door that God opened, you took a wrong turn somewhere. God is not a liar.

Next, comes atonement of sin. Someone on earth must atone (be punished) for your sins. All sin must be equalized on earth to get us into heaven. Per the rules of the game. God regulates this punishment among both the guilty and innocent. Sins of the father may be borne upon his sons.

Jesus atoned (was punished) for the sins of Christians and Muslims. The phrase "Jesus died for my sins" is a shortened version of "Jesus the Jew and Bright Morning Star suffered to buy me back from Satan, and atoned for my sin, saving my soul, despite my sins."

Then lastly, comes the one easy question asked at the gates of heaven. Asked by the angel guarding the gate.

This is the salvation explained in our bible. God foretold his salvation would be explained in the end times. God kept it hidden in plain sight.

I have not said anything you do not already know. I am just saying it in a way that makes more logical sense. Closing all the doors.

You can disagree with it, argue about it, yell, and scream. My advice is to read your bible cover to cover three times, paying attention.

As for you George, are you going to join us in the bright light clouds? Or, as Jesus said in Revelation 19, are you, your false prophet, and Satan sharing fates? Repent and turn from your evil ways.

Revelation foretold the "number" of the beast was "666." It was the "number of a man." It is your number, George. The number "6" is not significant here, other than there are three (3) of them. The numbers add up to "18." Because it was the 18th prophetic prophet of Israel, Ezra, and his Vision of the Eagle, which will defeat you? Is your number

up, George?

Repent and turn from your evil ways.

Servant to God,
David Andrew Bardes

Busy day yesterday. Bill Gates seemed to be in a panic? Which means they discovered the eternal Gospel is true. Which became a threat to Bill? Who tried to have me killed, knowing now I do not like him? Perhaps trying to pay me money, only stopped by George?

No drones yesterday, none all day. Was at a remote site too. Where the drones usually show up.

Today is 11/17. Nine (9) years since 11/17/2011 when I filed my second lawsuit (1:11-999) 18 days until 12/5, 22 days until 12/9. What will today bring?

Re: The AC-130 Military Gunships Are Back?

To Fearful George:

You have resorted to sending the AC-130 military gunships back to kill me?

Thursday, 11/19, after lunch while driving in our work van, I looked up to see an AC-130 military gunship flying straight for us, low and slow. Banking around a tight turn, the gunship came at us again. Seven (7) rounds overhead, before it flew away.

I thought to myself, "God, this asshole will just not leave me alone. Please do us all a favor and just cut off his light now, and be done with him. Why do you want to keep trying to save him? It is a waste of time."

George, you still think killing me will solve your problems with God? If you were to kill me, God would just bring me back to life? When it comes to God's will being done, it will be done. I have a job to do for God, and it will be done. Just as you cannot alter God's course, neither can I. You still do not understand the powers that you are opposing. A mere mortal taking on the fury of the wrath of Almighty God? You are a fool.

Repent and turn from your evil ways.

Servant to God,
David Andrew Bardes

At 11:32pm ET on 11/23/2020, I sent the below email:

Re: More Foretold Good News

To Fearful George:

Joe Biden announced his director of intelligence today. A former CIA Deputy Director responsible for the cover-up of your cold cell torture? A cold cell torture loving lackey of Gina Haspel, how fitting? Would not expect anything less? Loyalties, however, appear to favor Obama? Which fits right in with the power struggle in Ezra's Vision of the Eagle?

After God administers his face rotting instantly drop dead plague (Zechariah 14:12-15,) also call "The Dreaded Day of the Lord," which will wipe out your deep state corrupt criminals, God has a series of incredible events planned. All described in detail in the bible. I admit they sound a bit fantastical, but God promised a mighty show at the end of times. But since I am only one Branch of the same vine that we are all branches, you can read about them yourselves, and come to your own conclusions.

One of these events occurring soon after God wipes the deep state members off of the earth, God called the "Valley of Dry Bones" (Ezekiel 37.)

Standing on the Mount of Olives, one branch that bears much fruit, as we are all called to do, will read the words that God left behind as instructions in Ezekiel. This will initiate millions of long-dead people coming back to life all over the world.

Whether these people will be in spirit form, or have new human-animal bodies that look exactly like their old ones did when they were 33 years old, I do not know. But God's words spoke of bones coming together, and tendons and flesh being added, so perhaps they will have human-animal bodies that require food and rest like the rest of us.

How many people are coming back to life? I do not know for certain, but the description in Revelation is of a great multitude so vast "no one could count." In Revelation 7:9-17, it states "all those that died during the Tribulation." This Tribulation is generally assumed to be seven (7) years long, of which we are now at the end of the sixth year. But the number of humans that died during this period is lower than "no one could count."

I found in the Qur'an, chapter 2 verse 259, reference to people being "dead for one hundred (100) years," but coming back to life as "flesh" being added to "dead bones." This would equate to everyone born from about 1920 onward, will come back to life. This certainly is a number beyond anyone can count. Hundreds of millions?

So the above "Tribulation" may refer to the Holocaust and World War II? All the Jews murdered in the Holocaust

who were around 25 years old or younger will come back to life? Along with all the young soldiers and young civilian victims of World War II? All the wars since, for that matter? All my friends in 2 World Trade that died on 9/11? All Covid-19 victims?

God in Isaiah 14:9 said that these millions of humans are already gathered in heaven and are eagerly awaiting their resurrection, saying "The realm of the dead below is all astir to meet you at your coming." The "you" here refers to that branch that bears much fruit. The "at your coming" is the only time period marker in scripture, as in shortly after the branch "comes?"

These people from the "first resurrection" (Revelation 20:4-6) will bear testimony about heaven and salvation, helping achieve God's last covenant of worldwide peace that will never end. With God in heaven, Jesus attached to God as the Bright Morning Star, and their servant named "Union" (Zechariah 11:4-14) down here on earth (also known as the foretold return of John the Baptist "spirit of Elijah," the Messiah, the Mahdi,) will carry out God's grand plan to "Unite" all three faiths of the God of Abraham in a joint effort to defeat Satan using peace, winning the game for God. Then everyone goes to heaven all thanks to the suffering of the Jews.

But this is a lot of new people to find housing and to feed? Though families will gladly share their homes in what would be grand reunion parties? The food problem God solves with another incredible event that occurs at the same time.

The entire fertile crescent from Iran west down to Egypt will burst forth with water flowing from the ground, and ample rain will fall on dry ground. Without seeds being planted, the entire area will grow with plants, trees, fruit trees, and crops. Perhaps over a matter of days?

The entire Middle East will become a giant party of peace and joy. All three faiths of the God of Abraham will jointly rebuild God's Temple in Jerusalem. Fulfilling God's demand that his temple be a "house of prayer for all nations." (Isaiah 56:7.) Zechariah 6:15 states people will come from far away to rebuild the temple. And that Jerusalem will become a "city without walls" (Zechariah 2:4) due to so many people joining the party. God said (Zechariah 2:5) he would be a "wall of fire [bright light.]" around the enlarged Faithful City. And that the "bright light" (glory) of the new temple will be brighter than the former (Haggai 2:9.) Stating "'And in this place, I will grant peace,' declares the LORD Almighty." God foretold he would use his light to take ownership of all his "Holy Lands."

George, this means your mother and father are coming back to life, and living with you, breaking bread in meals of great joy? But will you be here to greet them? If you do not repent and turn from your evil ways, and God extinguishes your spirit as promised, you will miss out completely? Not that you would care anyway, not existing anymore?

Repent and turn from your evil ways and your past sins will be forgotten by God. You can then prepare your guest bedrooms, and plan for non-stop parties? Or, kiss your ass goodbye?

Servant to God,
David Andrew Bardes

Above, new CIA visitor, not the usual visit. Something going on?

At 2:00pm ET on 11/27/2020, I emailed the below email:

Re: "Babylon the Great, The Mother of Prostitutes."

To Fearful George and Cowardly Bill:

I hope you had a fruitful Thanksgiving? Your last before life in prison?

As God's prophecy rapidly comes true now, spreading like a virus, Revelation 17 comes into full view. Dovetailing off of Ezra's Vision of the Eagle, this chapter comes into the light about now.

If you read the book of Revelation alone, not a word of it will make any sense. Because every word ties into the words of God from the prophetic prophets of Israel. Only when combined does the light shine forth.

As I said about 2 Esdras, I can only make guesses as to the meanings here. I have had no revelations outside of basic common sense in applying current events to the words of these prophecies. I leave it up to you to apply your commons sense as well. The irony is the agreement between all of them.

Revelation 17 - Babylon, the Prostitute on the Beast

1 One of the seven angels who had the seven bowls came and said to me, "Come, I will show you the punishment of the great prostitute [deep state in Washington, DC], who sits by many waters [Potomac, Chesapeake Bay, Atlantic Ocean]. 2 With her the kings [presidents] of the earth committed adultery [corruption], and the inhabitants of the earth [corrupt deep state criminals] were intoxicated with the wine [plunder] of her adulteries [corruption]."

3 Then the angel carried me away in the Spirit into a wilderness. There I saw a woman [Trump] sitting on a scarlet beast [Washington, DC] that was covered with blasphemous names and had seven heads [7 hills, 7 presidents] and ten horns [corrupt CEO's]. 4 The woman [Trump in DC] was dressed in purple and scarlet, and was glittering with

gold [Trump loves the color gold], precious stones and pearls. She held a golden [Trump loves the color gold] cup in her hand, filled with abominable things [that Trump has done] and the filth of her adulteries [porn stars, Playboy bunnies]. 5 The name written on her forehead [MAGA hats] was a mystery:

Babylon the Great [deep state in Washington, DC]

The Mother [Bush2, Obama, Trump] of Prostitutes [man-whore's]

And of the Abominations [corruptions, murders] of the Earth.

6 I saw that the woman [Trump] was drunk with the blood of God's holy people [the right-wing hate-radicalized Christians who supported Trump], the blood of those who bore testimony to Jesus.

When I saw her, I was greatly astonished. 7 Then the angel said to me: "Why are you astonished? I will explain to you the mystery of the woman and of the beast she rides, which has the seven heads and ten horns. 8 The beast [Biden], which you saw, once was [Vice President], now is not, and yet will come up [be elected President] out of the Abyss [his basement] and go to its destruction [never assume office?]. The inhabitants of the earth whose names have not been written in the book of life from the creation of the world will be astonished [very happy Biden beat Trump] when they see the beast, because it once was [Vice President], now is not, and yet will come [elected President].

9 "This calls for a mind with wisdom. The seven heads are seven hills [the 7 hills of Washington, DC] on which the woman sits. 10 They are also seven kings [Presidents]. Five have fallen [out of office], one is [Trump], the other has not yet come [Pence]; but when he does come, he must remain for only a little while [weeks?]. 11 The beast [Biden] who once was [Vice President], and now is not, is an eighth king [President]. He belongs to the seven and is going to his destruction [never assume office?].

12 "The ten horns you saw are ten kings [corrupt CEO's] who have not yet received a kingdom, but who for one hour [short period] will receive authority as kings [deep state alliance with Bush2, Obama] along with the beast [Biden]. 13 They have one purpose and will give their power and authority to the beast [deep state]. 14 They will wage war against [try to kill] the Lamb [God's servant shepherd named Union], but the Lamb will triumph over them because he is [protected by the] Lord of lords and King of kings [God]—and with him will be his called, chosen and faithful followers [the good people, the elect]."

15 Then the angel said to me, "The waters [Potomac, Chesapeake Bay, Atlantic Ocean] you saw, where the prostitute sits [Washington, DC], are peoples, multitudes, nations and languages. 16 The beast [Bush2, Obama, Biden] and the ten horns [corrupt CEO's] you saw will hate the prostitute [Trump]. They will bring her [Trump] to ruin and leave her naked; they will eat her flesh and burn her with fire [metaphorical?]. 17 For God has put it into their hearts to accomplish his [God's] purpose [plan to defeat Babylon, deep state] by agreeing to hand over to the beast [Bush2, Obama, Biden] their royal authority [power, technology?], until God's words [prophecy] are fulfilled [come true]. 18 The woman you saw is the great city [Washington, DC] that rules over the kings of the earth."

God wrote "There will be no more delay!" with the advice to "Flee from Babylon!" before God's wrath of the "Dreaded Day of the Lord" comes upon you all. Those who repent and turn from your evil ways will be saved from God's foretold doom. If you are afraid, place into the record somehow, your opposition to the deep state corruption. Some form of evidence, or action, with provable date, which God himself will see, and which can be produced afterward, to protect yourself from life in prison, exile, or God's doom.

But do so without further delay. The writing is already on the wall, "Mene, Mene, Tekel, Parsin."

Servant to God,
David Andrew Bardes

As of 2:11pm, I have not received back a reply email from George's email address, as I usually do. Perhaps George and Larry are blocking my emails? Hence Larry stopped visiting? They may have realized my emails were being dispersed to the good people, and to stop them, they blocked any further emails? Time will tell. It does not matter

now, however, as the damage has already been done. Their efforts are late.

At 4:58pm ET, George Bush visited the website from "Digital Ocean." His preferred spoofed IP range. But he had a http referral from "http://eliasmonastery.com" which meanshe clicked on it from an email. So my email was blocked by Larry Page and to George's email. But the CIA picked it up, and forwarded it to George. George then had a meeting at 5pm ET, with someone, hence his visit just before it started. So, George got the email, but Bill, Larry, and Tim did not. Very interesting, George no longer trusts them? Which means George is afraid?

Above, China and Larry Page had a meeting, then the Chinese person visited each page, fact checking them, for over 2 and a half hours. What is going on? Why would China want to use this information? Wanting to prove it true before doing so? Is China going to rat out the Deep State? Thump Trump?

It is now 7:27pm ET on Thursday night. In the news, on CNN, was an article where Trump's head of intelligence, issued a warning that "China is about to engage in an open ended confrontation with the United States." The reasons cited were old news rehashed, masking what may be a more valid reason? Like the above visits by all the Chinese to the Cold Cell Torture website? Is China going to rat out George and his deep state? Along with Trump?

We as a nation criticize China on human rights, so they may blast us claiming worse? Wow. No wonder the Intelligence chief was panicked?

Last night Trump held a victory rally in Valdosta, Georgia. I watched it for about 40 minutes. Not one thing he said was true. It was 40 minutes of one lie after another. Remarkable. It was a victory rally for his alternate universe.

At 9:43am ET, Bill Gates visited the website, below. Sunday morning 6:43am PT, Bill is thinking about me. And what I am going to do to him? They may be more worried about what Trump is going to do to them? It could get busy this week?

At 8:18pm ET, on 12/13/2020, I uploaded my sermon "A Detailed Description of Heaven" to the website. The "Eternal Gospel" is now released. Amen. Praise God.

At 8:44pm ET on 12/13/2020, I sent the below email.

Re: Further Detail on the "Foretold Good News"

To Fearful George:

Revelation 10:6-7
6... "There will be no more delay! 7 But in the days when the seventh angel is about to sound his trumpet, the mystery of God will be accomplished, just as he announced to his servants the prophets."

This "Mystery of God" also known as the "Eternal Gospel" has now been posted to the website as the sermon "A Detailed Description of Heaven."

Repent and turn from your evil ways. Before "the seventh angel sounds his trumpet."

Servant to God,
David Andrew Bardes

Above, George is worried about cold cell torture? Is China still going to rat out deep state?

At 8:46pm ET on 12/21/2020, I emailed the below:

Re: Is tonight's great conjunction foretelling of things to come?

To Fearful George:

Is tonight's great conjunction foretelling of things to come? As Jesus said there will be signs in the sun, moon, and stars, before his servant, the son of "dirt" (Hebrew) is announced by God? God's chosen servant, a mere branch of the same vine as all the other branches? But a branch that bears fruit? Who preaches peace, good news, and God's social justice? In three and a half days? Time, times, and half a time, as Daniel wrote?

I actually do not know. That is why I am asking. All I have to go on is scripture from the three faiths of the God of Abraham.

Repent and turn from your evil ways, before God treads the winepress of the fury of his wrath? Leaving behind bitter wine, called wormwood?

Servant to God,
David Andrew Bardes

Above, for 3 days now, China has visited at 7pm ET each day. Which is like 9am in China time, the start of their day. Is China still plotting some news releases?

12/25/2020 - Christmas Day!

Above, this is a new first time visitor, from somewhere in NY or PA. On Verizon using a Samsung phone. Likely someone spoke at Christmas Eve dinner, spilling the beans to someone new. Who then took to Google to find and visit my website. So, word leaked out. Or, perhaps the below visit from Bill Gates a half hour later, was the source of the above leak?

Above, now Tim Cook visits early Christmas morning. Something is up, something is going on in crimeland?

Yesterday it rained all day. Then after dark, cold air moved in and turned the rain to ice and snow. But only for less than an hour, before the storm blew away. Leaving behind an inch of snow on all the trees, cars, and ground. It will remain below freezing until tomorrow. The sun is up, on what is a white Christmas.

At 12:42am on 1/4/2021, I emailed the below:

Re: Only God could write this script? Do you agree?

To Fearful George:

Today is exactly five (5) months, or 153 days since I emailed you on 8/3/2020, after my 430 days of exile, as described in Ezekiel 4. Upon which time God's wrath would then turn from me onto you?

How is it going? I am left guessing. I guess it is not going well? Am I right?

Ironically, I survived the five (5) months, or 153 days of you trying to kill me every hour. Rounds of special forces helicopters, troop transports, A10-Warthogs, AC-130 gunships firing anti-personal missiles killing only deer and missing me, then Air Force bombers? FBI killers, dozens of killers in cars from as far away as Texas?

God foretold that what you did to me, he would then do to you. But whereas my torments lasted five (5) months, yours will never end?

Since today is the five (5) month (153 days) mark, how is it looking? God's wrath still got you down?

Repent and turn from your evil ways, George. I keep saying it, but you "have eyes that cannot see, and ears that cannot hear." As God lamented the stubbornness. "Surely you would have heeded my warnings" were God's words he left for you in the disappointment of your decision. Before the dreaded day of the Lord was to come?

Thanks to current events in the news, I have pieced together more of the prophecy from Revelation. Where the first beast that rose up, with the seven (7) heads (presidents) and ten (10) horns (corrupt CEO's) such one of the heads (presidents) had a seemingly fatal wound on his head that had healed, is likely Donald Trump. Trump's lawyer who paid off the sex workers, published that the top of Donald's head is covered in unsightly scars, from a botched hair transplant surgery decades ago. And that Donald compensates by folding over a long flap of hair from the side of his head. Whether this is true or not, I do not know, but the alignment with prophecy is uncanny?

But this "beast" (President Trump) will cause "everyone" (all Republicans) to wear the "mark of the beast" (MAGA hats) on their foreheads or right hands (holding Trump/Pence election signs), and watching an image (picture) that "comes to life" speaking (a video of Trump on Twitter) on a cell phone in their right hand? And the beast requires everyone to worship the image of the beast? Such they cannot "buy or sell" (or ever be elected again) without the mark (endorsement) of Trump's mark on their forehead?

Perhaps the vision John saw here, was a glimpse of the Trump rally just after the election. Where not a word of what Trump said was true. But the brainwashed sheep wearing MAGA hats, and holding up Trump election signs, taking videos with their cell phones, cheering wildly as each load of horse manure was shoveled into their mouths.

I am not soothsaying here, this is basic deductive reasoning. But it is remarkable. Trump has turned on his own people and is blasting them off of the earth on a space force mission never to return? With one Tweet, Trump took out John Thune? Took rapid-fire Tweets to take down his own Governor of Georgia? It is like Satan turned on his own demons and is sodomizing them for their sin of giving him four years of oral pleasures? And Donald keeps coming back to the same well for more tonic as the Tweets never stop. Not with 75 million souls that only believe his lies?

Only God could write this script? Do you agree? There is nothing in science, evolution, chance, or fate, that could ever create this outcome?

Then Trump flies in nuclear-armed B-52 bombers into the middle east out of fear of Iran on the anniversary of the drone killing of their general. One year ago today. As reported on CNN, the current general in Iran stated they did not need to retaliate because "One from your own house will emerge and retaliate for these crimes." As I was reading this, Trump abruptly fled his "house" in Florida, back to the White House. For reasons reported in the news as guesses of fear of Iran.

But I recognized the statement from the Iranian general. That is Islamic prophecy, with roots in Isaiah, Jeremiah, Ezekiel, Daniel, and Revelation. Those words come from quotes of God's words. And apply to all three faiths. This

is the fall of Babylon, the casting of the beast into the lake of burning fire, and the dreaded day of the lord.

So, this Iranian general, in my estimation (guess) is patiently attuned to prophetic scripture in relation to current events?

My worry is something Daniel and Jesus repeated as a marker for the end times. When we see "the abomination that causes desolation in the holy place" we know the end is near. I thought this event occurred on 10/1/2020, the day Trump was diagnosed with Covid-19, along with three dozen west wing staffers, leaving the place somewhat abandoned. Thankfully to survive and return. Daniel stated "one that causes desolation [abandoned] will come upon the [west] wing of the abominable temple [white house.]

This is a guess of course. One that I hope is true. Because otherwise, it could be something really bad? Something we all do not want? That is why I ponder this unknown.

Based on website traffic, what is going on with you and China? Is China about to rat you cold cell criminals out? Trump's Intelligence director issued an alarm warning saying China was "about to engage in an open-ended confrontation that had no end." When I read that in the news, I thought that would explain the website traffic?

Negotiating your doom or deliverance? You even unearthed Dick Cheney, who God in 2 Esdras called "your most evil little wing" to help with the negotiations? Seemed to fail? Money not helping this time? Just as God foretold? This would set up what happens in the last verses of Haggai 2?

Is something about to happen? I sure wish I knew what was going on. All I have is this bible in my hands. Which repeats six times "Sit at the right hand of God, until God makes your enemies a footstool for your feet."

George, as you know, I am very patient. You have oppressed me for thirteen (13) years now. When I filed my first federal cold cell torture lawsuit in 2008, a copy landed on your desk the next day. So, I have waited patiently by the right hand of God for a long time, suffering untold torment at your hands, year after year. Culminating with five (5) months (153 days) of sheer hell fighting off killers sent every hour.

I have no idea how I survived outside of God's humor. But each moment of anguish, built up for God a little bit of owed back good, saving up all that owed back good due from Satan, to use against you and your deep state, doing a great good of good riddance. God made me suffer, to bring you to justice. I thank God for my suffering.

Do you recognize this number 153? This comes from the last miracle Jesus performed. At one of his resurrection appearances, Jesus caused the fishnets to fill with fish until almost burst. There were 153 fish. Is this the bounty, the blessing for those who wait patiently?

Repent and turn from your evil ways, George. Are you still able to?

Servant to God,
David Andrew Bardes

The above person is new, and were sent a link with the domain address clickable, giving me the above referral. This could be Putin, as Biden and Putin were on their first phone call at midday today. Is Biden giving Putin the heads up on what is about to transpire? This timeline would explain the last minute edits and finishing up of the cold cell documents that have been worked on since Christmas. With China pushing the lead? Not sure how this plays out from a cause-effect view point. Something will happen soon.

It is now 7:06pm ET on Friday night. So far nothing has happened. But sure looks like something is nigh?

[Update Note 2/6/2021 - the above traffic was because Biden's new Secretary of State "Blinkin" had his first phone call with his counterpart from China. And the Chinese guy was rough, demanding Biden stay out of China's business. Or, China may rat out the deep state? Likely leverage on China's part, to get what it wants, and to keep the upper hand over the USA. But this would explain the subsequent traffic below.]

At 11:50pm ET on 2/6/2021, I sent the below email:

Re: What a pathetic mess you have created?

To Fearful George:

What a pathetic mess you have created? Good grief.

This all started as God said in Zechariah 1:15, "I was only a little angry, but they went too far with the punishment [cold cell torture.]"

Things have gotten progressively worse since you brutally tortured innocent victims to death with the most painful death a human could ever endure. When God saw the United States doing this, of all nations, and not one person stood up for justice, God decided to pull the drain plug on this tub of unrepentant torture himself.

As God said in Zechariah 11:15-17, he rose up a "foolish shepherd [Trump]" to "tear apart" the political party that adopted torture and murder as its main party platform. Thirty (30) days ago today, on 1/6, was clearly Daniel's "Abomination that causes desolation." And when Jesus foretold of this event "two people will be in bed, one will be taken, the other left" was the FBI raiding the homes at dawn of the Confederate rednecks that stormed the "abominable temple."

Then comes the infamous "2" and "6" (today is 2/6) from Revelation 6:6 and Ezekiel 4:10. Which described "20" and one-sixth "1/6" being 1/6/2021 itself, and the 20th being Trump's last day in office. It appears Mike Pence was the foretold "false prophet" who convinced evangelical Christians for five years, claiming visions of seeing birds, that Trump was the messiah sent by God, leading all of them down the rabbit hole of deception. Only for the Trump "fool" to ultimately Tweet Mike's execution orders to the enraged lynch mob, "Mike Pence has failed us."

In the days since, the pro-torture political party has turned on its own, taking down one horse and rider after another, until perhaps none are left on the polo field? Even Liz Cheney, known as one of the sane ones, had her horse hamstrung by her own cowboys?

Only God could have written this script?

Now, based on website traffic, it appears China is in full control of the United States? Biden, Blinken, the CIA, the

FBI, Bush2, Cheney, Obama, Gates, Page, Cook, and the other CEO's, now dance to the tune of the "Kings from the East." Biden even gave the heads up to Putin? Now, whatever China wants, China will get, else they will bring down the whole house of cards? What a pathetic sorry mess?

God foretold he would send the "most ruthless of nations" against Babylon. God in Jeremiah 5:15 said "I am bringing a distant nation against you - an ancient and enduring nation, a people who language you do not know, whose speech you do not understand." China is the second oldest nation on earth.

God has a message for you at this moment in time, read all of Jeremiah 5, Ezekiel 28, 30, 31, and 32. Each speak of this "most ruthless of nations."

George, you have made a huge mess. You brought the wrath of God down on our nation. Your pro-torture political party has been destroyed by God. Your nation is now beholden to foreigners, by your own hands. All because you are a coward? You refuse to apologize and repent from your sins of torture? I suggest you engage some courage, put on some big boy pants, take responsibility for your actions, and issue an apology letter to your fellow Americans, and to your victims around the world.

Otherwise, your future is in the hands of the "fury of the wrath of Almighty God." Whose prophetic words have now come true like clockwork. Read them for yourself, while God's clock of mercy is still ticking. Because according to scripture, mere seconds remain?

Servant to God,
David Andrew Bardes

This morning in the news, on CNN, were two articles. One, that last night Biden had his first phone call with Xi Jinping. Such Biden was tough, read the riot act to Xi, standing up against China's human rights abuses, and remains firm on tariffs. What a crock of horse manure. Biden was on the defensive.

The second article said Biden was meeting this morning with senators from both parties regarding infrastucture. But no list of senators was released. Kamala Harris was also to be there. Is this a ruse too? Is Biden giving the senators the heads up about what is about to happen? Time will tell?

At 10:14am ET on Sunday 2/14/2021, I added the below blog entry to my website at EliasMonastery.com:

2/14/2021 - Joe Biden Now Bows Down To The Will Of His Chinese Masters?

In the now two-decades long effort of George Bush2, Dick Cheney, and the CIA/FBI/DOJ, to avoid any form of accountability for their brutal cold cell torture murders of innocent victims, their cowardice has now even hamstrung the new Biden Administration.

In September of 2018, China busted their own citizen Meng Hongwei, the President of Interpol, with accepting and passing along bribes from George Bush2 to the judges of the International Criminal Court (ICC) to prevent the opening of the investigation into Bush2 war crimes and torture in Afghanistan.

While China sentenced Hongwei to thirteen years in prison for accepting $2.1 million dollars in bribes, George Bush2 employed Bill Gates, Larry Page, and Tim Cook, to negotiate with China to remain hush and not expose George Bush2 to what would be an embarrassing International scandal.

The technology CEO's negotiations worked for a time, as the ICC judges initially voted against opening the Bush2 war crimes investigation, and China agreed to keep their dark secrets private. After Donald Trump had a phone call with Xi Jinping, then a dinner at the G20 summit, Trump used threats of more tariffs to tamp down any chance of such a cataclysmic revelation of corruption. Our nation's sovereignty had been sold to cover up the heinous crimes of our leaders?

But apparently China was just biding time, waiting for the dangerous Trump "kook" to leave office. Sure enough, once Trump was dumped by the voters, China sprang into action to thwart full control over the incoming Biden Administration. Obama and Biden spent their previous eight years in office covering up the brutal murders of Bush2/CIA/FBI/DOJ cold cell torture, so China was confident Biden would still be such a corrupt criminal?

Once in office, Biden purposely avoided speaking with Xi Jinping, and instead had his secretary speak with China. Blinken was apparently read the riot act, demanding Biden stay out of Chinese affairs, and stop all the talk about human rights abuses, not when the USA engages in such murderous crimes, with no accountability whatsoever.

Then Biden did finally speak with Xi Jinping, but the recorded phone call was never released by either side. With both sides claiming a "get tough" victory over the other.

Such is the ongoing nature of corruption winning over any form of law or justice. Now the United States is fully beholden to China? Whatever China wants, China will get, else they will bring down the whole house of cards? The United States is no longer a sovereign nation, as our criminal leaders, helped by our technology CEO's betrayal, sold our nation out just to protect the brutal cold cell killers from ever facing any form of justice?

While the proof of all the above is found in well annotated daily website log files, this mess of corruption will soon be revealed in the public record under its own weight. Justice may be slow in coming, but comes it does.

To Twitter: Then I Tweeted the below:

At 7:16pm ET on 2/16/2021, I emailed the below:

To Fearful George and Other Fine Criminals:

Below is a draft of a release I am preparing. I wanted to give you a chance to object to any part being untrue. I have proof admissible in any court of law, but extend this professional courtesy to you anyway.

Servant to God,
David Andrew Bardes

The Q Treaty

By David Andrew Bardes
davidbardes@yahoo.com

Due to the rampant misunderstanding of "Q" and the so called "deep state," I want to provide some logical explanation to what has become lunacy.

I have been battling governmental corruption for fifteen (15) years in the federal courts. My lawsuit at the US Supreme Court in April of 2016 brought an end to the "TortureGate Corruption Scandal." TortureGate started after George W. Bush brutally tortured to death innocent victims with the most painful death a human could ever endure - hypothermic torture. Also known as "Cold Cell" Torture and "Induced Hypothermia" according to Jim Comey's signed infamous Bush Torture Memo's making cold cell murder legal. Jesus Christ was tortured to death with hypothermic torture, to give you a base line.

Every federal judge in the United States, following orders by Justice Roberts directed by George Bush2, instantly dismissed every torture lawsuit, even domestic torture, just to protect George Bush2 and his CIA/FBI/DOJ killers, from ever being prosecuted. The federal courts cited torture as "too hot a topic" for the courts to address at the time.

Two decades of this instant lawsuit dismissal, however, had a grave secondary effect, as it gave the green light to our jails and prisons that torture was on. Inmates were brutally murdered all over the United States, and the judges granted immunity over murder, dismissing all the lawsuits immediately. A dozen inmates alone were murdered with cold cell torture. Children were tortured to death, adults, Mexican's at the border, all to protect George Bush2 from ever facing the law for his brutal cold cell murders.

In 2015, I sued four (4) federal judges for this corruption of instantly dismissing torture lawsuits, and took them all the way to the US Supreme Court. On April 15, 2016, the US Supreme Court voted to no longer dismiss any torture lawsuits, after denying my petition. Hours later a federal judge in Seattle did not dismiss a cold cell torture lawsuit against the two CIA torture doctors who designed and ran the cold cell torture murder program. Obama continued for months trying to dismiss the lawsuit but failed, and the CIA doctors of death were forced to settle the case the day before the trial was to begin.

TortureGate had come to an end, and inmates were no longer frozen to death in our jails and prisons. Just because the governmental criminals do not want to be sued, or sentenced to death for their murders.

But the reason why the US Supreme Court was able to vote to end TortureGate, is because there were only eight (8) justices on the court at the time. Justice Scalia had died two weeks prior. George Bush2 and Dick Cheney had planned an elaborate hoax hunting trip for Justice Scalia at a private hunting ranch in way west Texas, to offer Scalia lifetime membership in a private International hunting fraternity, as a means to secure his key tie vote against my stop cold cell torture petition that had just come before the court for a vote. But God foiled their diabolical plot by whacking Scalia while he slept the first night at the ranch.

So, when "Q" spoke of the "deep state," he or she was referring to George's group of buddies loyal to him. Just like all of our past presidents have people that they installed during their reigns. But George's group of loyalists grew larger and larger due to the need to buy off more and more people just to avoid anyone wanting to enforce the laws against mass murder and torture. It grew by attrition out of need of protection from the law. Such it is now the largest group of the so called "deep states."

This talk of sex with children and eating children is nonsense, and comes out of children being tortured to death, which is true common knowledge. Obama and Biden at their infamous Shenandoah Valley Youth Torture Prison Camp, tied a young boy down so tight to the infamous metal "chair of death" and affixed a bag over his head, suffocating the boy to death. Obama and Biden freely joined George's torture corruption protection group, actively covered up the brutal murders of Bush2, and then engaged in their own, surpassing George's kill rate by 400%. Pictures of the Obama's and Bush's hugging and kissing each other, and exchanging candies like giddy school children, were published frequently.

In the now two-decades long effort of George Bush2, Dick Cheney, and the CIA/FBI/DOJ, to avoid any form of accountability for their brutal cold cell torture murders of innocent victims, their cowardice has now even hamstrung the new Biden Administration.

In September of 2018, China busted their own citizen Meng Hongwei, the President of Interpol, with accepting and passing along bribes from George Bush2 to the judges of the International Criminal Court (ICC) to prevent the opening of the investigation into Bush2 war crimes and torture in Afghanistan.

While China sentenced Hongwei to thirteen years in prison for accepting $2.1 million dollars in bribes, George Bush2 employed Bill Gates, Larry Page, and Tim Cook, to negotiate with China to remain hush and not expose George Bush2 to what would be an embarrassing International scandal.

The technology CEO's negotiations worked for a time, as the ICC judges initially voted against opening the Bush2 war crimes investigation (they later reversed,) and China agreed to keep their dark secrets private. After Donald Trump had a phone call with Xi Jinping, then a dinner at the G20 summit, Trump used threats of more tariffs to tamp down any chance of such a cataclysmic revelation of corruption. Our nation's sovereignty had been sold to cover up the heinous crimes of our leaders?

But apparently China was just biding time, waiting for the dangerous Trump "kook" to leave office. Sure enough, once Trump was dumped by the voters, China sprang into action to thwart full control over the incoming Biden Administration. Obama and Biden spent their previous eight years in office covering up the brutal murders of Bush2/CIA/FBI/DOJ cold cell torture, so China was confident Biden would still be such a corrupt criminal?

Once in office, Biden purposely avoided speaking with Xi Jinping, and instead had his secretary speak with China. Blinken was apparently read the riot act, demanding Biden stay out of Chinese

affairs, and stop all the talk about human rights abuses, not when the USA engages in such murderous crimes, with no accountability whatsoever.

Then Biden did finally speak with Xi Jinping, but the recorded phone call was never released by either side. With both sides claiming a "get tough" victory over the other.

Such is the ongoing nature of corruption winning over any form of law or justice. Now the United States is fully beholden to China? Whatever China wants, China will get, else they will bring down the whole house of cards? The United States is no longer a sovereign nation, as our criminal leaders, helped by our technology CEO's betrayal, sold our nation out just to protect the brutal cold cell killers from ever facing any form of justice?

While the proof of all the above is found in well annotated daily website log files, this mess of corruption will soon be revealed in the public record under its own weight. Justice may be slow in coming, but comes it does. Sometimes like a river of justice?

Donald Trump knew all about George being the leader of the so called "deep state," and chose to protect George from the ICC investigation, and instead Donald set up his own group of loyalists as his own "deep state." Trump failed to do anything beneficial. Now we are back to Joe Biden doing whatever Obama and Bush2 tell him to do. Not even our CIA can do CIA things because they owe their very jobs and liberty to China? Our nations sovereignty, even the control of our technology companies, have been sold to China for the price of silence?

Whoever "Q" is, they are a coward. Hiding even your identity is a position of weakness, as nothing productive can be accomplished. Obviously. We are simply dealing with criminal scumbags on the run from the law. This is my treaty on the so called "Q" coward.

Above, Larry and CIA person having a meeting before tonight's meeting with China. China has made some sort of decision regarding George and his criminal gang, and they are awaiting their fate?

Above, this person always visits right before some meeting with China. They always visit Elias then Cold Cell, thats it. They are a player in the negotiations, but not sure who exactly this may be.

Sometime between 7pm and 10pm, their was a meeting with China, but the China person did not visit like they usually do, indicating a change in their decision as to ratting out the criminals? This pattern of visitors and time of day (Chinese morning at USA evening) repeats itself giving itself away, despite no visit from China.

Above, then Bill Gates visits, sucking in the entire cold cell site. This may indicate Bill is unhappy, even angry, and scanned in the entire site knowing he may have to answer to its truth soon? Rarely does Bill scan in the entire site. This may support my guess that the China meeting did not go well, and doom is soon?

Above, something with China is driving these criminals to action. Is China about to rat them out?

At 11:05pm on 3/3/2021, I emailed the below:

Re: Head them off at the pass?

To Fearful George and his bandits:

Is the axe already at the root of the tree, as Jesus said of those who bear bad fruit? Are the feet made of clay and iron breaking apart, risking the collapse of the entire statue, as Daniel foretold?

Has God's thousand points of wrath got you down? Want relief? Head it off at the pass as the cowboys down in cold cell torture victims all over Texas say? Confess your sins publicly in an apology letter, and turn from your evil ways? We are now at Ezekiel 33, on 3/3.

Today your camera drone airplane followed me from one swimming pool renovation job site to the next. Low and slow right over my head. Looking up at your eyes in the sky, I thought to myself mission accomplished George?

Servant to God,
David Andrew Bardes

3/13/2021 - Saturday

Blinkin and Sullivan (National Security Advisor) are scheduled to meet with their Chinese counterparts in Alaska next Thursday, 3/18/21. An article in the news about the hack at Microsoft, says Biden has assembled a five agency task force to address the issue, and has invited private entities to go to secure communication centers around the country, to speak in private with Biden and his people. Sounds fishy to me. More like a ruse to allow CEO's to rat out Bush2 and his crew of bandits? I saved the links to the articles in my yahoo account. But something is going on here.

During this time person, afternoon on Wednesday, Joe Biden gave an interview where he called Putin a "killer." Putin got pissed off, and this caused chaos among our criminals. Such with China bearing down with tomorrow's cold cell torture summit in Alaska, and now Putin angry, the criminals decided it was time to pay me off with money? Because they contacted my friend Anthony Hobson in Manning, South Carolina, below. Likely to be the shill to contact me. It appears Anthony said no way, even after being recruited twice, below.

Moscow Russia (Putin?) using Google at 8:09am ET

Above, visitor from Moscow, but not the CIA spoofing the IP. Likely a real visitor in Moscow, a first time visitor. Could be Putin who is upset at Biden for calling him a killer. Putin gave a press conference and wished Biden "goo health" and said calling people names that also apply to themselves, is not good. A veiled reference to Biden torturing innocents to death to protect Bush2 and crew?

Above, now George visits, very upset with his mess, and blaming me. His efforts to recruit Anthony Hobson failed, now he has no one. This is getting more and more interesting by the hour.

Today Blinkin and Sullivan are meeting with their Chinese counterparts in Alaska. Meeting over 2 days. What will come next?

Re: Has it been a rough couple of days George?

To Fearful George:

Has it been a rough couple of days George? Up late last night after days of darkness?

Are you in a jam? Too many unhappy world leaders backed up like ships unable to make it through the Suez Canal?

Do you want to speak with me face to face? You have my number?

Servant to God,
David Andrew Bardes

4:05pm ET - a helicopter flew past low but fast, flying South to North. Looked like a corporate one, but dark in color, so could be military? Passenger type, not armed type.

At 9:19pm ET, I emailed the below:

Re: Oh my, has God's foretold "terror" and "face rotting" plague started?

To Fearful George:

Oh my, has God's foretold "terror" and "face rotting" plague started?

Today marks twenty-two (22) months since you and the technology CEO's sent killers after me, sending me into exile. Culminating in twenty-two (22) days of Armageddon in Cincinnati eighteen (18) months ago. Which God described in Ezekiel 12, saying what was done to me then, would be done to you? That I would be a sign to you?

Last week, the 24th, was Haggai's 2's second occurrence marking the start of God's final siege, followed on the 25th, being day "666" of my exile? Which is your number, George? That day 666 night "stars fell from the sky" over Seattle like figs falling from a tree in a strong wind (fulfilling Isaiah, Revelation, and the Gospels.) The next day was the 26th, which ties into Revelation 6:6 (2 pounds of Wheat, and 6 pounds of Barley) and Ezekiel 4 (20th eat Barley and 1/6 of water.) Which marks the arrival of the "Pale Horse" who does unkind things?

Then a weekend of the full Worm Moon (know that summer is near), the start of Passover, and Palm Sunday. Now today, the 29th, marks day 670 and 22 months of exile, and the second day of Passover, being the start of Barley harvest, followed by the Wheat harvest?

Larry is in a panic, my friend in Manning, South Carolina cannot help you at 3am in the morning, Bill has disappeared, Dick was unearthed again, the CIA is afraid, and you George, keep sending drones thinking I have something to do with all of this? I cannot help you now, you would not listen to me. I tied again and again. You just laughed at me, and mocked me?

You need to read the bible to learn how to turn off God's wrath. Otherwise, God's terror and face rotting plague will continue until "none" are left, just as God foretold?

Haggai 1 ("the silver is mine and the gold is mine" says God?), Ezekiel 29 ("take loot and plunder, silver and gold?") and Zechariah 14 ("large quantities of silver and gold" will be collected to pay off God's servant to end the terror?), followed by the final "fall of the city." Which may likely occur (only a guess) this Saturday, 4/3, the 15th anniversary of my cold cell torture and gunshot? Being twelve (12) months (1 year), and ten (10) months, and five (5) days (Ezekiel 33:21) since my exile started on 5/29/2019?

According to God in Psalm 2, you succeeded in avoiding doom from all the world leaders, and lastly only needed to make peace with me, to be free? But God "laughed" and "scoffed" at you, then "terrified" you in his "wrath?"

So, George, it may be another rough week for you cold cell criminals? Those who "flee from Babylon" and "run for their lives" into exile will escape the terror, as God foretold. Those left standing may "fall into the pit," or suffer God's "face rotting" plague? I wonder who the "few will be left to tell other people what happened," as God foretold?

Then next Sunday is Easter, and the last day of Passover. Starting the 2nd and final Exodus of God's Holy People into the Promised Land? Flying checkered flags until we pass God's finish line of the race?

Servant to God,

David Andrew Bardes

Yesterday, 3/31, I got a call from the Henderson County Health Department setting my Covid vaccine shot for this morning at 11:05am. They sent an email with the date, time, and location clearly visible. I thought, great, now the CIA knows where I am going and what time, giving them an opportunity to set up an ambush.

At 2:13pm ET, I wrote and emailed myself, knowing the CIA would read it right away:

Sure enough, 8 minutes later the CIA visited below, and distributed the email to all the criminals.

(Update note on 4/3 - the above may have ended up putting a bounty on George's head? Also, marked 1,260 days since 10/19/2017, the day I wrote the "Dear Judge Reidinger" letter, and the day I founded the "Elais Monastery.")

The above IP range is the same from South Carolina, like from the 1st, when George recruited the killers. Is George hiring more killers?

At 8:12pm ET on 4/7/2021 I sent the below email:

Re: Indication?

DarkStar is indicating George may be recruiting killers from south of me again? Not good.

At 12:53pm ET on 4/9/2021, I emailed the below:

Re: Be aware of today's foretold Bush2 escape!

To the Chosen:

The below is self-explanatory.

Jeremiah 39:2-7
2 And on the ninth day of the fourth month [4/9/2021 - today?] of Zedekiah’s eleventh year [11th week of Biden's reign] , the city wall [of Bush2's deep state] was broken through. 3 Then all the officials of the king of Babylon [Biden] came and took seats in the Middle Gate [of the White House]: Nergal-Sharezer of Samgar, Nebo-Sarsekim a chief [executive] officer, Nergal-Sharezer a high official and all the other officials of the king of Babylon. 4 When Zedekiah king of Judah [Bush2] and all the soldiers [Bush2 criminals] saw them, they fled; they left the city at night by way of the king’s [Rose] garden, through the gate between the two walls, and headed toward the Arabah.[NYC, Saudi Arabia, Jordan?]

5 But the Babylonian [Biden] army [military jets?] pursued them and overtook Zedekiah [Bush2] in the plains of Jericho [?]. They captured him and took him to Nebuchadnezzar king of Babylon [Biden] at Riblah in the land of

Hamath, where he pronounced sentence on him. 6 There at Riblah the king of Babylon [Biden] slaughtered [metaphorical] the sons of Zedekiah before his eyes and also killed [metaphorical] all the nobles of Judah. 7 Then he put out Zedekiah's [Bush2] eyes [blindfold] and bound him with bronze shackles [handcuff's] to take him to Babylon.

Jeremiah 52:6-11
6 By the ninth day of the fourth month [4/9/2021 - today?] the famine in the city had become so severe that there was no food for the people [deep state criminals] to eat. 7 Then the city wall was broken through, and the whole army [Bush2 criminals] fled [at dusk by airplane]. They left the city at night through the gate between the two walls near the king's [Rose] garden, though the Babylonians [Biden] were surrounding the city. They fled toward the Arabah, [NYC, Saudi Arabia, Jordan?] 8 but the Babylonian [Biden]] army [military jets?] pursued King Zedekiah [Bush2] and overtook him in the plains of Jericho [?]. All his soldiers [deep state criminals] were separated from him and scattered, 9 and he [Bush2] was captured.

He was taken [brought back?] to the king of Babylon [Biden] at Riblah in the land of Hamath, where he pronounced sentence on him. 10 There at Riblah the king of Babylon [Biden] killed [metaphorical] the sons of Zedekiah before his eyes; he also killed [metaphorical] all the officials of Judah [rest of the criminals]. 11 Then he put out Zedekiah's [Bush2] eyes [blindfold], bound him with bronze shackles [handcuff's] and took him to Babylon, where he put him in prison till the day of his death.

Ezekiel 12:12-14
12 "The prince [Bush2] among them will put his things on his shoulder at dusk and leave, and a hole will be dug in the wall [door of airplane] for him to go through. He will cover his face [mask, hood to hide?] so that he cannot see the land. 13 I will spread my net for him, and he will be caught in my snare; I will bring him to Babylonia, the land of the Chaldeans, but he will not see it, and there he will die. 14 I will scatter to the winds all those around him [rest of Bush2 criminals]—his staff and all his troops—and I will pursue them with drawn sword.

Servant to God,
David Andrew Bardes

Below sent to myself at 5:11pm ET on 5/23/2021:

I awoke this morning asking myself why does George dislike me so much? I did not make or enforce the laws against brutal murder, torture, and those who protect such killers for personal gain? They did. I am only doing my civic duty to make sure these several presidents, vice-presidents, CIA, FBI, DOJ, technology CEO's, social media titans, billionaire investors, and the judges who accept bribes, spend the rest of their lives in prison? According to their rule of law and Constitution? They swore the oath to God, and God said okay, whatever you bind on earth is bound in heaven?

At least they will have the time in a chilly prison to read their bible for the first time cover to cover. To learn about the God they do not believe in? And George can finally get the proper mental health care and medications for his inflictions and fears? The rest can spy on other inmates, will miss using Google but look out narrow Windows, while having oracles, eating iMac and cheese, peas and vegetables, while making inmate-book, make bird sounds, writing letters to their GoMommy, look at pictures of the Amazon forest, and reading the cisco kid series? And the judges can issue immunity to the cockroaches and deny the petitions of the rats? Is this the vindication God wrote about so long ago?

All of this to protect one thug from his own laws? Good grief.

Annotated website log file #8 for "EliasMonastery.com"
Start date 5/4/2021

The identities, footnotes, and annotations are in the opinion of David Andrew Bardes. There are spots where I got lazy and did not annotate, but pick up further below.

Most significant were the several visits from Joe Biden in the White House. Joe has taken a lead role in the corruption now. Also Xi Jinping visited. Then Joe Biden gave the heads up to the President of South Korea during their visit. So, I do not know where Joe stands exactly, but as of this date continues to cover up the heinous crimes of his comrades. No one will do the right thing. Sad.

Re: Let the Posting Begin

This file (#6) is one of six that I will post. Except for file #5, as I want to wait until in a court of law before revealing that one. That one starts on 5/28/2019, when Bill Gates and George recruited the killers, starting my exile, followed by the visits from all the military bases calling in the attacks during the first five months of my exile. The first file starts in 2017, then in 2018 the technology CEO's first came onto the scene. Then came all the ICC judges, China, Obama in Hawaii, Biden in Delaware, Pence in Indiana, Trump in Bedminster, Palm Beach, and White House, social media CEO's, Warren Buffet, CISCO and Oracle CEO's, etc. Also has all the Nobel Prize traffic and bribe payoff people. Rupert Murdoch in Australia, Scott Morrison, Japan PM, France Interpol, NYTimes, Dow Jones & Company, the list is a who's who of world corruption. The mother lode.

This file #6 is only for the website "EliasMonastery.com" started on 6/8/2020. After awhile I fingered Dominion and Smartmatic? Search for "OVH" or "London" or "Canada."

I will post this file, and the others to the website shortly.

Does anyone have Dumpy's email address? Or, is it 45office.com?

Enjoy.

Sent below email to myself, knowing the CIA would get immediately and distribute:

Re: Where did all my website visitors go?

No one is visiting my website anymore? Please come back, I sure miss you guys.

I used to enjoy waking up each morning seeing what you criminals did all night long, then read in the news which ones were being dragged into family court next, or being hamstrung by Dumpy's kooks? Do my CIA bff's not like me anymore, my pals at the FBI gone away, the DOJ back to pretending laws against murder exist?

Was it painful getting through all 316 pages of log file #6? Log files #1 to #4 have a total page count of 2,480. This will keep your analysts busy for a while? Like being "swept with the broom of destruction" as God foretold in Isaiah?

But I am facing a dilemma. Having formally been a "Registered Representative" with the SEC (Series 6, 63) I have certain surviving duties as to full disclosure (if I am in possession of certain knowledge deemed material to stockholders.) But I am uncertain how to fulfill this duty given the unusual circumstances we are facing here? Given so many large public companies being led by the worst criminals our nation has ever encountered? Therefore, I now put you on notice to immediately resign from your companies, and if you fail to do so after receipt of this demand notice, the onus will be on you, and not me. I think this satisfies my duty.

Below I got lazy and did not annotate for a few pages. Keep scrolling down as I pick back up.

Emailed to self about the Chinese rocket about to crash down somewhere on earth:

Re: Wormwood?

Revelation 8:10-11 (NRSV)
10 The third angel blew his trumpet, and a great star fell from heaven, blazing like a torch, and it fell on a third of the rivers and on the springs of water. 11 The name of the star is Wormwood. A third of the waters became wormwood, and many died from the water, because it was made bitter.

"Wormwood" is a "poor man's cheap bitter wine" like Chinese rice wine?

"fell from the sky on a third of the rivers and on the springs of water -" Rivers are on land right? And "springs of water" could be spring-fed lakes that headwater a river? Or could be the middle of the ocean, a big spring of water?

The "waters turning bitter, and many people died from the waters that had become bitter" is metaphorical I think? Seems we will soon find out?

5/19/2021 - Wednesday

Early this morning around 7:30am ET, I updated and uploaded the "Ezra" Vision of the Eagle Scroll. The CEO of GoDaddy immediately distributed it wide and far. Last night late the CEO of GoDaddy took down my website, but once I logged on, realized I had a right to have the site, so he restored it quickly. My enemies are frustrated. But once they got the new Ezra scroll update, panic set in. Hence the first visitor was Tim Cook, below.

Re: You can always count on Dick to make the wrong decision?

Nicholas Hunter Hamilton, age 43, pilot - killed on May 24, 2021, after being convinced by corrupt crooks in France (aided by Dick, George, Barake, and Joe) to go on what became an instant fiery suicide mission in one of their own planes just to kill an innocent man who demanded justice for victims of their mass murder and cold cell torture? Which now

makes Bill, Larry, Tim, Mark, Jeff, Warren, and the other devils also cold-blooded murderers? Then China is very unhappy about being blamed for the release of the worldwide plague killing millions, may just pop the cork off this bottle of unstoppable corruption? Oh Lord, unleash those two hundred million angels you foretold would clean up this awful mess! No time to waste!

After I sent the above email, there was no traffic for 90 minutes. I figured Dick and George were quick to cover their butts by claiming they never spoke with anyone in France, and that "Bardes is being paranoid" and "Bardes is dreaming up conspiracies." So, after a while I decided to set the trap God foretold, by sending the below email as evidence, catching them in their lie. 90 minutes later.

I sent the below email at 8:06pm ET

Re: The Pale Horse Rides?

Is George in DC? Held up in the White House (Jeremiah 39?) If so, after Joe took off in his airplane, leaving George alone, someone handed George a (or his) cell phone to call his CIA buddies to plot his foretold escape tonight (or tomorrow night 5/29?) at dusk (Ezekiel 12)? Leaving through the "hole in the [basement] wall" where construction is going on? Then covering his head (Ezekiel 12), leaving along between the two plywood construction walls? Where God foretold Biden's "soldiers" would pursue and catch George in God's planned "snare" at "the plains of Jericho?" Like on the tarmac of an airfield? The plot thickens?

Re: 21-Month Anniversary of the Palace of the Forest

Today marks the 21-month anniversary of the end of what God called the "Palace of the Forest." On August 29, 2019, having been betrayed by my cousin Dee Ellen Bardes in Cincinnati, after she paid me $30 of wages for yardwork, only while sleeping in her house that one night the FBI/CIA secretly placed a GPS tracker in my 2007 Honda Accord. The next morning as directed by George, she told me to leave immediately. As I drove out of her driveway taking a left turn, I looked up to see a helicopter with a red stripe on it. I said to myself, "Oh Lord, I am really f*cked now." I had sought refuge in her house overgrown by plants, only the next day the plants turned into fire.

There was no way to escape that helicopter and the black FBI SUV's following me all day long, so I kept driving. Late afternoon at dusk I ended up in a park boxed in by black FBI SUV's waiting for the kill team to arrive. I prayed "Oh Lord, now what the hell am I to do?" The situation sounded like what God described in Ezekiel 12. So I opened my bible and began to read. God's words said while the enemy watched me, I was to pack my bag, put it over my shoulders, and hike into the forest through a hole in the forest wall. I looked up and around me. Far across an old potters field was an overgrown forest with a small opening in the thickets. I then grabbed my day pack and began packing my survival gear. The forest gave me an advantage, as I knew how to survive in the woods. I opened my car door, slung my pack over my shoulder, and hiked across the field of tall grass with my walking staff and dog named "Merry," and entered the woods through the small hole in the forest wall.

God's words in scripture said to cover my head so no one would see me. I unfolded a mylar heat reflective blanket and covered my body to not be discovered by the thermal imaging camera's on the drones which flew over every fifteen minutes and by the AC-130 military gunships which flew over every thirty minutes.

As I slept soundly on the ground with my head on a rock as a pillow, the gunships fired antipersonnel shells into the forest killing only deer and missing me. Sustained by an ever flowing well of righteous indignation, even though I had walked through the valley of the shadow of death, I feared no evil. As my God protected me in the belly of the fish for those three nights.

I fully trusted God's words in Ezekiel saying "What they did to me, I would soon do to them." Sure enough, now 21-months later, look who fled into exile covering their heads going through a hole in the wall? Who now is driven into the forest and caves to hide from the promised wrath of God?

Today marks the anniversary of that third day. My deliverance has now come, just as God promised so long ago.

Even now, repent and turn from your evil ways, and God will protect you just as he protected me. Hear O'Israel, your God reigns!

Re: Did My Prediction Come True?

Habakkuk 3:14
With his own spear [gun] you pierced his head [shot in the head] when his warriors stormed out to scatter us, gloating as though about to devour the wretched who were in hiding [Me].

Jeremiah 22:18-19
18 Therefore this is what the Lord says about Jehoiakim son of Josiah [George] king of Judah: "They will not mourn for him: 'Alas, my brother! Alas, my sister!' They will not mourn for him: 'Alas, my master! Alas, his splendor!' 19 He will have the burial of a donkey— dragged away and thrown outside the gates of Jerusalem [buried in unmarked hole].”

Elsewhere are references of "people will search for him, but he will never to be found again." Just like the body of his first cold cell torture murder victim, whose family was denied even his dead body for a proper burial?

Was Caesar done in by his own kind after the great plunder? Did my below prediction sent 107 weeks ago come true?

Email sent May 13, 2019 at 3:09pm ET:

To Caesar George:

"Beware the ides of March," as the ominous soothsaying warned before Caesar was stabbed in the back by his own trusted people.

As the prophet Daniel translated to the corrupt king like you, the words written on the wall by the hand of God himself: mene, mene, tekel, parsin

Translated by Daniel as "You have been weighed on the scales and found wanting, God has numbered the days of your reign and brought it to an end, your kingdom is divided and given [plundered by the good people.]"

That night the corrupt king was ambushed and killed, his kingdom returned (plundered looted) back to the good people.
